Boggy Creek Road Improvements

From Simpson Road to Narcoossee Road
Osceola County, Florida
Project No.: PS-20-11479-DG

Introduction

The following report documents the public involvement activities that occurred during the Part A – Alternatives Evaluation phase of the project. Osceola County and the project team developed a detailed Public Involvement Plan to guide outreach during the evaluation phase. The public involvement efforts included:

- Project Website
- Hybrid Public Information Meeting
- Public Meeting Notification Flyers
- Comment Documentation
- Coordination with Stakeholders
- Presentation to the Osceola County Board of County Commissioners

Project Website

Osceola County hosted a project website (www.osceola.org/go/boggycreek) to provide updated information about the project. The website showed a map of the project location and a description of the project, as well as a link to provide comments or ask questions. Information about the public information meeting and how to participate was also posted and included the meeting presentation and exhibits.

Hybrid Public Information Meeting

A hybrid public information meeting was held on March 4, 2021, with 74 individuals participating online and 20 people attending in-person. The meeting was offered as an in-person open house and virtually using GoToWebinar to allow interested persons to join from their computer, tablet or telephone. There was one newspaper ad published in the *Osceola News-Gazette* on February 25, 2021. A media release was sent out by the project manager. Meeting invitations were sent out on February 12, 2021, by email, to 18 elected officials and 60 government partners. An additional 3,195 meeting invitation flyers were mailed to property owners and current residents/tenants on February 16, 2021. The invitation flyer was also posted on the website. A full meeting summary has been provided to the project team and is included in this report.

Flyers

Public meeting notification flyers were prepared in English and Spanish for the alternatives study and mailed to property owners and current residents/tenants (if different from property owner) along the corridor. The mailing list includes properties within 300 feet of the project, as well as entire neighborhoods where their only way in or out of the neighborhood takes them onto Boggy Creek Road. The flyers were also attached to the electronic meeting invitations for elected officials and government partners.

Comment Documentation

The project team developed and maintained a matrix of all questions and comments received during the Part A evaluation and the responses that were provided. A copy of the matrix is included in this report. A total of 104 comments and questions from 54 residents were received during the hybrid public meeting comment period, which ended on March 15, 2021. A summary of the comments is provided in Exhibit 1.

Coordination with Stakeholders

The project team coordinated with local, regional, state and federal agencies and organizations throughout the study. Please see the Preliminary Engineering Report for details.

Presentation to the Osceola County Board of County Commissioners

Following the public meeting, the project team refined the alternatives to develop the preferred alternative. The project team developed a presentation explaining the alternatives that were evaluated and the reasons for the recommended alternative. Based on this information, the preferred alternative was Alternative 2 with refinements. The preferred alternative includes a 22-foot-wide raised grass median; travel lanes remain at 11 feet wide; the posted speed limit remains at 45 mph; the sidewalk reduces to 6-feet with an increased buffered area of 4-to-7 feet between the sidewalk and the roadway; the multi-use path is 8-to-10 feet wide with a 4-to-7-foot buffer between the path and the roadway; and the overall estimated cost remains the same at \$67,503,800 for construction, environmental impacts, oversight inspection services and right-of-way acquisition.

The Board of County Commissioners reviewed the information and voted to authorize advancement of the preferred alternative to the Part B – Final Design phase. Additional public involvement is planned during Final Design.

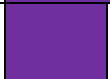

Exhibit 1

The sum of comments came from 54 citizens on a variety of topics. The majority of respondents preferred Alternative 3, with four inquiries. Eleven people asked if new traffic lights would be added during this project.

- Five people asked if a fire station was planned for Boggy Creek Road.
- Four people asked about the timing of the project and if it could be accelerated.
- Three people had speed limit concerns; asked about pond sites; inquired about right of way acquisition; and wondered about traffic control during construction.
- Two people each: wanted to know about the timing of the construction (day or night); asked about median access; a sound wall at Rustic Acres; traffic congestion concerns by the school; asked about crosswalks and the new Tavistock development; noise and the need for a noise wall at Fells Cove; inquired about Boggy Creek Road from Simpson Road to S.R. 417; wanted to know if roundabouts were considered; the Simpson Road project timeline; and asked about the Osceola Parkway Extension.

Other topics included: limitations needed for future development; offer of land for storing construction equipment; adding turn lanes; congestion; storm drainage; height of the road; traffic counts; noise study; other projects; replacing trees; signal reconstruction; detours and roadway safety during construction; air braking; concerns with cut through traffic on side roads; cost; street lighting; property taxes; walking path; and not liking the idea of having to make U-turns. (See below chart)

Boggy Creek Road Improvements – Alternatives Analysis Part A

Comments/Questions	
Likes Alternative 1	
Likes Alternative 2	
Likes Alternative 3	
Offer of land for storing equipment	
Timing of project (accelerated? Moving too slow)	
Limits needed for future development	
Timing of construction/ night or day?	
Speed limit concerns	
Request left median cut to access businesses on corner of Boggy Creek & Narcoossee Rd	
Request for new wall at Rustic Acres (they have a community wall)	
Request for new traffic lights	
Any plans for a fire station/police station on Boggy Creek Rd?	
Traffic congestion concerns at the school	
Why not add more lanes than the 4 proposed	
Will another turn lane be added from Boggy Creek Road to Simpson Road	
Congestion at Austin Tindall Park	
Will Nele Road get a dedicated turn lane onto Boggy Creek Rd	
Storm drainage concerns	
Height of road and will it be raised	
Pond Sites	
Inquire about Lake Nona entrance off Boggy Creek Rd	
Will a turn lane be provided for Holiday Woods Drive onto Boggy Creek Rd	
Is this needed because of the new development	
Order of this project coming before others	
Are there more public meetings	
Forecasted traffic counts	
Any new crosswalks	
Inquiries about new Tavistock development	
Noise/noise wall at Fells Cove	
Why no noise study	
Noise wall	

Any plans to connect Osceola Parkway to Boggy Creek Rd	1	
Right of way acquisitions	3	
Widening of Simpson Rd from Boggy Creek to 1-92 timeline	1	
Will Camptown congestion be addressed	1	
Any new commercial or retail areas coming	1	
Inquiry about traffic light at Ward Rd, not in the project limits	1	
Any plans to limit semi trucks on Boggy Creek	1	
Replacing trees	1	
Signal reconstruction at Boggy Creek & Narcoossee	1	
Boggy Creek Rd & Narcoossee Rd intersection improvements	1	
What are biggest factors in determining the alternative	1	
Is this an Osceola County project or a collaboration between Orange and Osceola Counties	1	
Traffic control during construction	3	
Road detours during construction	1	
Roadway safety	1	
Wants law to reduce air braking	1	
Inquiry about Boggy Creek Rd from Simpson to S.R. 417	2	
Does the county have any preferences in alternatives	1	
Other projects that impact this project	1	
Will left and right turn lanes be allowed on Great Oaks to Boggy Creek	1	
Cut through traffic on side streets concerns during construction	1	
Were roundabouts considered	2	
Any turn lanes added in addition to the four-lane roadway	1	
School crossing guard inquiry	1	
Simpson Rd project timeline	2	
Cost difference between alternatives	1	
Street lighting	1	
Osceola Parkway Ext questions	2	
Will property taxes increase	1	
Walking paths	1	
Traffic congestion	1	

Doesn't like idea of having to make u- turns	1

Boggy Creek Road Improvements

From Simpson Road to Narcoossee Road
Osceola County, Florida
Project No.: PS-20-11479-DG

Public Meeting Summary

Date: Thursday, March 4, 2021

Time: 6 p.m. – 7:30 p.m.

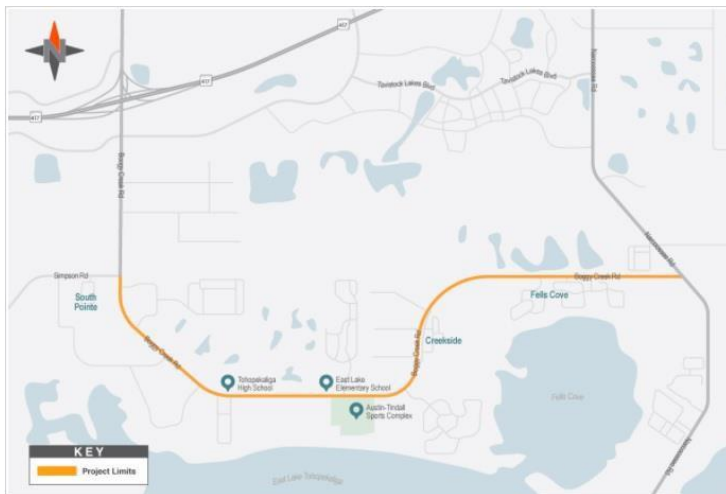

Location: Online GoToWebinar

In Person: Osceola Heritage Park Events Center

Attendees: See attached registration list

Osceola County held a hybrid public information meeting regarding the Boggy Creek Road Improvements Project in Osceola County. The project limits are from Simpson Road to Narcoossee Road in Kissimmee. The purpose of this meeting was to introduce the alternatives being proposed and to provide an opportunity for interested persons to provide feedback and ask questions.

Public Notification

Meeting invitations were sent by email to 18 elected officials and 60 government partners and agency representatives.

Meeting notifications were sent by U.S. Mail to 3,195 property owners and tenants. The invitations included the date and time of the public meeting, the three options for how to attend the meeting (virtually, in person, by phone), how to register for the meeting and the project map.

Copies of the invitation letters and mailing lists are included in Appendix A.

Meeting Advertisement

The meeting was advertised with a newspaper display ad published in the *Osceola News Gazette* on Thursday, February 25, 2021. The meeting notice was also posted on the Osceola County website and a press release was sent out by the County. Copies of the newspaper display ad and press release are included in Appendix B.

Boggy Creek Road Improvements

From Simpson Road to Narcoossee Road
Osceola County, Florida
Project No.: PS-20-11479-DG

Public Meeting Agenda

The hybrid meeting was held both virtually and in person. The virtual meeting was held online using GoToWebinar. The project team went live from a separate room at the in-person meeting location. The in-person meeting was held at Osceola Heritage Park Events Center. The webinar opened at 6 p.m. and included a presentation with an overview of the project. Online participants were also able to download the same meeting materials provided to in-person participants, including the project presentation, and the alternative alignments under

consideration. Following the presentation, there was a question-and-answer session where the attendees could ask questions or make comments about the project and get a verbal and written response from the project team. The attendees who called in via telephone only were not able to ask questions but were continually reminded how they could email the project manager with any questions or comments. The presentation ran a second time, with question-and-answer sessions happening in between the presentation. Attendees were reminded throughout the meeting of ways in which questions and comments could be submitted, and that questions received would be responded to in writing. The virtual meeting ended at 7:30 p.m., once there were no more questions or comments.

The in-person meeting was held at the Osceola Heritage Park Events Center, 1901 Chief Osceola Trail, Kissimmee, FL 34744. Doors opened at 5:30 p.m. There were nine exhibit boards set up, socially distanced, with stickers on the ground reminding attendees to stay six feet apart. As attendees entered the building, they had their temperature taken, and were reminded that masks were required. They were then able to pick up a folder containing several handouts for the meeting. Attendees could view the exhibits, ask

team members questions and were also able to view a looping video presentation with the same information as the presentation shown during the virtual meeting. All questions submitted at the in-person location would be responded to in writing.

The purpose of this public meeting was to provide an opportunity for the public to learn about

Boggy Creek Road Improvements

From Simpson Road to Narcoossee Road
Osceola County, Florida
Project No.: PS-20-11479-DG

the alternatives being proposed to increase capacity and enhance safety along the corridor. The project proposes adding lanes, providing accommodations for bicycles and pedestrians, drainage improvements and traffic signal modifications.

A copy of the presentation that was provided at both the in-person and on-line meetings is included in Appendix C.

Meeting Attendance

Seventy-four people signed into the virtual meeting including project team members and a representative with Osceola County Schools. Twenty people attended the in-person meeting along with fifteen (15) staff members and consultants. A copy of the registration sheet and sign in cards are included in Appendix D.

Handouts

A copy of the presentation and a comment form were available for download during the virtual meeting. Participants were encouraged to ask questions and/or leave comments in the comment box provided. They were also told they could email the comments or go to the comment form and fill it out. In-person attendees picked up a folder on their way into the meeting which contained a copy of the presentation, a comment form, sign in card, project flyer and a pen. The comment form is included in Appendix E.

Public Comments

More than 104 questions and/or comments were submitted by 54 residents throughout the alternatives phase of this project. 12 questions/comments were emailed within eleven days of the meeting and added to the public record (by 3/15).

Comments were generally neutral or positive. Questions submitted concerned the following:

- Start and completion dates for construction/Timing of construction
- Traffic congestion/Backups from school
- Median access to neighborhoods
- Difficulty of getting out of neighborhoods

Boggy Creek Road Improvements
From Simpson Road to Narcoossee Road
Osceola County, Florida
Project No.: PS-20-11479-DG

- Street lighting
- Traffic lights
- Extension of Simpson Road to Royal Palm requested
- Soundwall requests
- Wanting work done at night
- Speed limit/Speeders
- Do not like having to do U-turns
- Wanting 6-lanes instead of 4-lanes
- Storm drain questions
- Crosswalks
- Right-of-way acquisitions
- New fire station details/how it affects traffic
- Tree removal
- Separation of bike lanes wanted
- Impact of Osceola Parkway Extension on future traffic

Responses were provided when possible, and all questions were followed up with a written response by the project team.

All the questions and comments that were received can be found in Appendix F.

End of Meeting Summary

This public meeting summary was prepared by Shari Croteau, communications manager, Quest Corporation of America Inc. If you feel that clarifications are necessary, or if it differs from your understanding, please notify Shari by email at shari.croteau@qcausa.com.

APPENDIX A

Transportation & Transit Department

February 12, 2021

**Subject: Public Information Meeting
Boggy Creek Road Improvements**
From Simpson Road to Narcoossee Road
Osceola County
Project No.: PS-20-11479-DG

Dear Elected Official:

Tawny Olore, PE
Executive Director

Osceola County invites you to a public information meeting regarding the Boggy Creek Road Improvements Project on Thursday, March 4, 2021. The purpose of the project is to address capacity and safety needs along Boggy Creek Road from Simpson Road (C.R. 530) to Narcoossee Road.

Joshua DeVries, AICP
Transportation Planning

Osceola County is examining future traffic needs and evaluating alternatives to achieve the project goals. The public meeting is being held to present the potential alternatives to the community and receive input. Following the meeting, the alternatives will be refined, and County staff will recommend a preferred alternative to the Osceola County Board of County Commissioners for review and approval, based on public input and findings from the alternatives study. The approved preferred alternative will be advanced to the design phase.

Kathy Lee, PE
Traffic Engineering

The County is offering three ways to participate in the meeting. All participants will receive the same information regardless of which option they choose.

Todd Hudson, PE
Transportation Engineering

- **In-Person Open House:** The community is invited to attend an open house at the Osceola Heritage Park Events Center, St. Cloud Rooms A and B, 1901 Chief Osceola Trail, Kissimmee, FL 34744. Attendees will have an opportunity to come anytime between 6 p.m. and 7:30 p.m. to view a looping presentation and project displays, speak with project team members, and provide comments. The County requests advance registration for this option by contacting the project manager using the contact information below to ensure all attendees are accommodated safely and according to social distancing guidelines. Attendees will be required to wear masks and follow all safety guidelines. Those who are not feeling well may not attend the in-person meeting.

Rene LaPorte
Construction

Gary Yeager
Traffic Operations

- **Virtual Meeting (Online):** The second option is to participate in a Virtual Public Meeting (VPM) from a computer, tablet or mobile device. The VPM will begin at 6 p.m. and will include the same presentation offered at the in-person open house. Attendees in the virtual meeting will have an opportunity to download project displays and provide comments or ask questions.

Advance registration is required for this option by going to: <https://bit.ly/39gkvUc>. Please note that GoToWebinar does not support Internet Explorer. You will need to use Google Chrome ([click here](#) to download for free) or Microsoft Edge ([click here](#) to download for free) to register and participate in the virtual meeting.

Transportation & Transit Department

- **Phone Option (listen-only):** Persons may also call into the meeting by telephone by dialing 1-562-247-8422 and entering the passcode 757-168-004 when prompted. Persons choosing this option are encouraged to contact me at 407-742-0557 or conroy.jacobs@osceola.org after the meeting to submit comments or ask questions.

All meeting materials will be available on the project's website at www.osceola.org/go/boggycreek a few days before the meeting.

Tawny Olore, PE
Executive Director

While comments are welcomed throughout the project, all comments received by March 14, 2021, will become part of the record for this meeting. For more information, please contact me at 407-742-0557 or conroy.jacobs@osceola.org.

Joshua DeVries, AICP
Transportation Planning

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability, or family status. Persons wishing to express their concerns relative to compliance with Title VI may do so by contacting Maria Colòn, Director, Human Resources Department, Osceola County Board of County Commissioners, by phone at 407-742-1227 or TTD: 800-955-8771, or via email at maria.colon@osceola.org.

Kathy Lee, PE
Traffic Engineering

Persons who require accommodation under the Americans with Disabilities Act (ADA) are asked to contact Bernardo Alicea, Osceola County ADA Coordinator, at 407-742-1200 (TTD: 800-955-8771) or email at bernardo.alicea@osceola.org at least 7 days before the meeting.

BOGGY CREEK ROAD IMPROVEMENTS

From Simpson Road to Narcoossee Road

Project Number: PS-20-11479-DG

YOU ARE INVITED TO A PUBLIC MEETING

Osceola County is holding a virtual and in-person public meeting on **Thursday, March 4, 2021, at 6 p.m.** regarding the Boggy Creek Road Improvements Project. The purpose of the Project is to increase capacity and enhance safety along the corridor. Osceola County is currently evaluating alternatives that will include adding lanes, providing accommodations for bicycles and pedestrians, drainage improvements and traffic signal modifications. The public meeting is an opportunity for the community to learn about the project and provide input. After the public meeting, County staff will recommend a preferred alternative to the Osceola County Board of County Commissioners for review and approval, based on public input and the findings of the alternatives study.

BOGGY CREEK ROAD IMPROVEMENTS

From Simpson Road to Narcoossee Road

Project Number: PS-20-11479-DG

MEETING OPTIONS

The County is offering multiple ways for the community to participate in the meeting. All participants, regardless of the platform they choose, will receive identical information and all comments will be evaluated equally.

- **In-Person Option:** Interested persons may attend an open house at the Osceola Heritage Park Events Center, St. Cloud Rooms A & B, 1901 Chief Osceola Trail, Kissimmee, FL 34744. Attendees will have an opportunity to come anytime between 6 p.m. and 7:30 p.m. to view a looping presentation and project displays, speak with project team members and provide comments. The County requests advance registration for this option by contacting the project manager using the contact information below to ensure all attendees are accommodated safely and according to social distancing guidelines. Attendees will be required to wear masks and follow all sanitation guidelines and adhere to any local ordinances. Those who are not feeling well or are running a fever may not attend the in-person meeting.

- **Virtual Option:** The second option is to participate in a Virtual Public Meeting (VPM) from a computer, tablet or mobile device. The VPM will begin at 6 p.m. and will include the same presentation offered at the in-person location. Attendees in the virtual meeting will have an opportunity to download project displays and provide comments or ask questions. Advance registration is needed for this option by going to: <https://bit.ly/39gkvUc>. Please note that GoToWebinar does not support Internet Explorer. You will need to use Google Chrome (download for free at <https://bit.ly/3lXEp9w>) or Microsoft Edge (download for free at <https://bit.ly/36STDbr>) to register and participate in the virtual meeting.

- **Phone Option (Listen Only):** Persons may also call into the meeting by dialing 1-562-247-8422 and entering the passcode 757-168-004 when prompted. Persons choosing this option are encouraged to provide comment or ask questions after the meeting by contacting Osceola County Project Manager Conroy Jacobs.

All materials will also be available on the project's website at www.osceola.org/go/boggycreek a few days before the meeting.

APPENDIX B

Opportunity to Provide Input on the Boggy Creek Road Project

Osceola County, Fla. – The community is invited to learn about potential options for addressing capacity and safety needs along Boggy Creek Road at a public information meeting scheduled for March 4, 2021. Osceola County is examining future traffic needs and evaluating alternatives to enhance safety along the roadway between Simpson Road (County Road 530) and Narcoossee Road. Alternatives will include adding lanes, accommodating bicycles and pedestrians, improving drainage and modifying traffic signals. The public meeting will provide an opportunity to view the alternatives and provide input.

Following the public meeting, the alternatives will be refined, and County staff will recommend a preferred alternative to the Osceola County Board of County Commissioners for review and approval, based on public input and findings from the alternatives study. The approved preferred alternative will be advanced to the design phase.

The County is offering three ways for interested persons to participate.

- **In-Person Open House:** The community is invited to attend an open house at the Osceola Heritage Park Events Center, St. Cloud Rooms A and B, 1901 Chief Osceola Trail, Kissimmee, FL 34744. Attendees will have an opportunity to come anytime between 6 p.m. and 7:30 p.m. to view a looping presentation and project displays, speak with project team members, and provide comments. The County requests advance registration for this option by contacting the project manager using the contact information below to ensure all attendees are accommodated safely and according to social distancing guidelines. Attendees will be required to wear masks and follow all safety guidelines. Those who are not feeling well may not attend the in-person meeting.
- **Virtual Meeting (Online):** The second option is to participate in a Virtual Public Meeting (VPM) from a computer, tablet or mobile device. The VPM will begin at 6 p.m. and will include the same presentation offered at the in-person open house. Attendees in the virtual meeting will have an opportunity to download project displays and provide comments or ask questions.

Advance registration is required for this option by going to: <https://bit.ly/39gkvUc>. Please note that GoToWebinar does not support Internet Explorer. You will need to use Google Chrome ([click here](#) to download for free) or Microsoft Edge ([click here](#) to download for free) to register and participate in the virtual meeting.

- **Phone Option (listen-only):** Persons may also call into the meeting by telephone by dialing 1-562-247-8422 and entering the passcode 757-168-004 when prompted. Persons choosing this option are encouraged to contact me at 407-742-0557 or conroy.jacobs@osceola.org after the meeting to submit comments or ask questions.

All participants will receive the same information and have an opportunity to provide comments. Comments received by March 14, 2021 will become part of the record for this meeting. Those who cannot attend the meeting may review project information and submit a comment on the project webpage at www.osceola.org/go/boggycreek. All comments will receive the same consideration.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability or family status. Persons with disabilities who require accommodations under the Americans with Disabilities Act or persons who require translation services (free of charge) should contact Bernardo Alicea, Osceola County ADA Coordinator, at 407-742-1200 (TTD: 800-955-8771) or email at Bernardo.Alicea@osceola.org at least 7 days before the meeting.

For media inquiries, please contact the Osceola County Communications Office at 407-742-0100 or bccpio@osceola.org.

Boggy Creek Road Improvements Public Information Meeting March 4, 2021, 6 p.m

Osceola County invites the community to participate in a public meeting regarding the Boggy Creek Road Improvements project. The purpose of the project is to address capacity and safety needs along Boggy Creek Road from Simpson Road to Narcoossee Road.

The public meeting will be held on Thursday, March 4, 2021. Persons may participate virtually from their computer by registering at the link below and logging in at 6 p.m. Please note GoToWebinar does not support Internet Explorer. Please use Google Chrome or Microsoft Edge to register and participate in the virtual meeting. Persons may participate by telephone by dialing the number below and entering the passcode when prompted.

The community may also attend an in-person open house at the Osceola Heritage Park Events Center, St. Cloud Rooms A and B, 1901 Chief Osceola Trail, Kissimmee, FL 34744, anytime from 6 p.m. to 7:30 p.m. Advanced registration is requested for the open house by contacting the project manager using the contact information below.

Participants will receive the same information regardless of the platform they choose. Additionally, all meeting materials will be posted on the project webpage www.osceola.org/go/boggycreek a few days before the meeting.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability or family status. Persons who require accommodations under the Americans with Disabilities Act or persons who require translation services should contact Bernardo Alicea, Osceola County ADA Coordinator, 407-742-1200 (TTD: 800-955-8771) or email at Bernardo.Alicia@osceola.org at least 7 days before the meeting.

For more information, please contact Osceola County Project Manager Conroy Jacobs at 407-742-0557 or by email at Conroy.Jacobs@osceola.org.

Attend Online: <https://bit.ly/39gkvUc>

Attend In Person: Osceola Heritage Park Events Center
1901 Chief Osceola Trail, Kissimmee, FL 34744

Attend by Phone: 1-562-247-8422, passcode 757-168-004

Boggy Creek Road Improvements Alternatives Study

Simpson Road (C.R. 530)
to Narcoossee Road

Public Information Meeting
March 4, 2021

Presentation Contents

- Introduction, project background
- Project purpose and need
- Current traffic and future demands
- Proposed typical section alternatives
- Evaluation matrix
- Schedule and right-of-way process
- Opportunities for further involvement

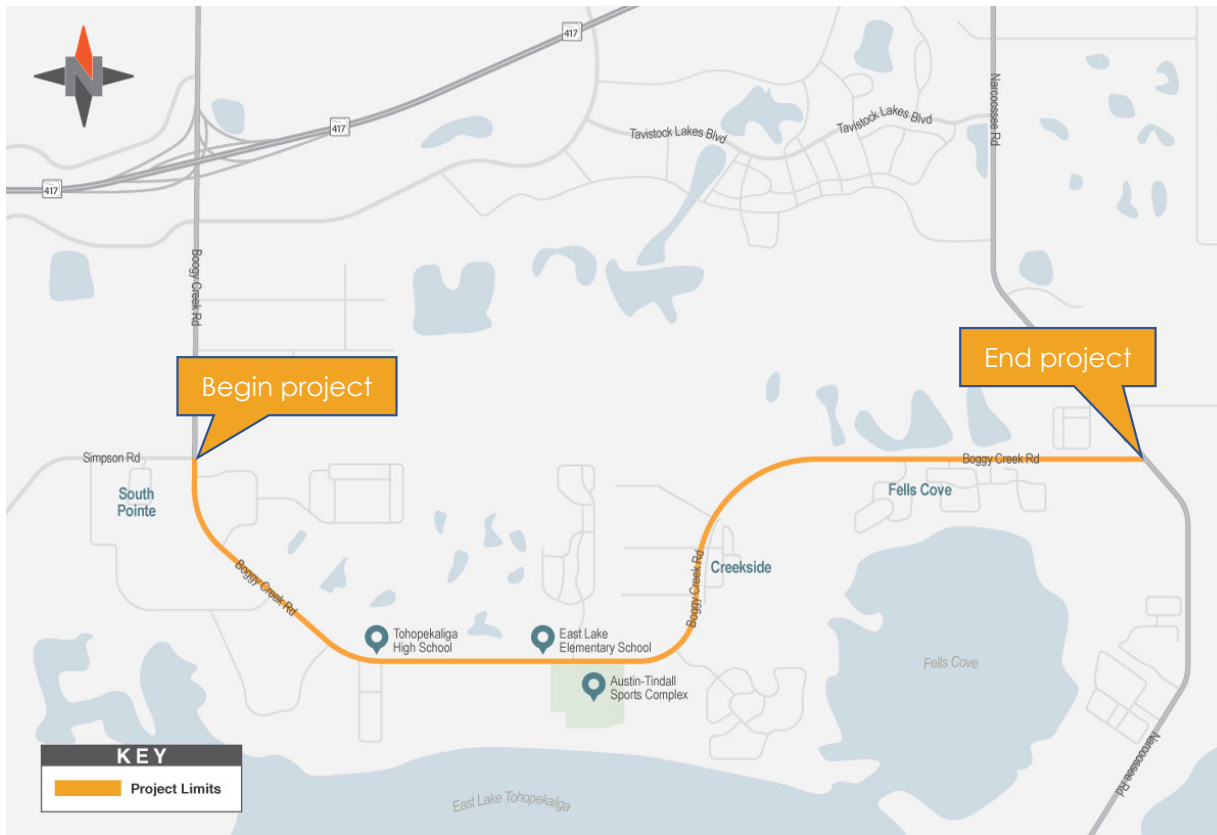

Title VI

This public meeting is being conducted without regard to race, color, national origin, age, sex, religion, disability or family status. Persons wishing to express their concerns relative to compliance with Title VI may do so by contacting:

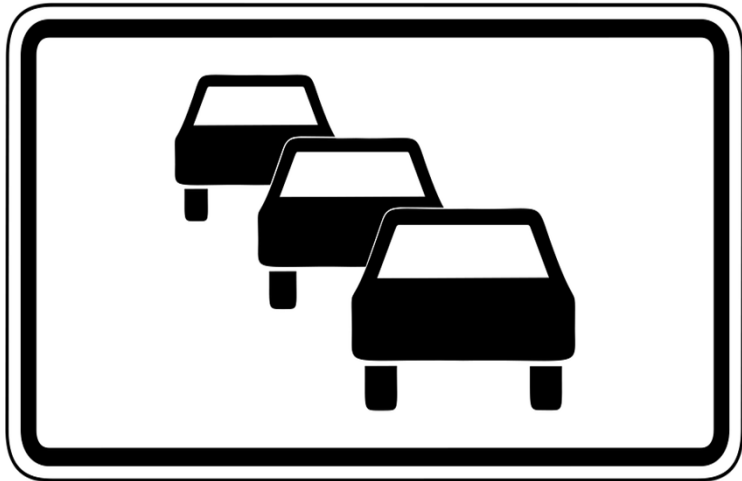

Maria A. Colòn, Director
Human Resources Department
Osceola County Board of County Commissioners
1 Courthouse Square, Suite 4200
Kissimmee, FL 34741
Phone: 407-742-1227 or TTD: 800-955-8771
Email: maria.colon@osceola.org

Project Location

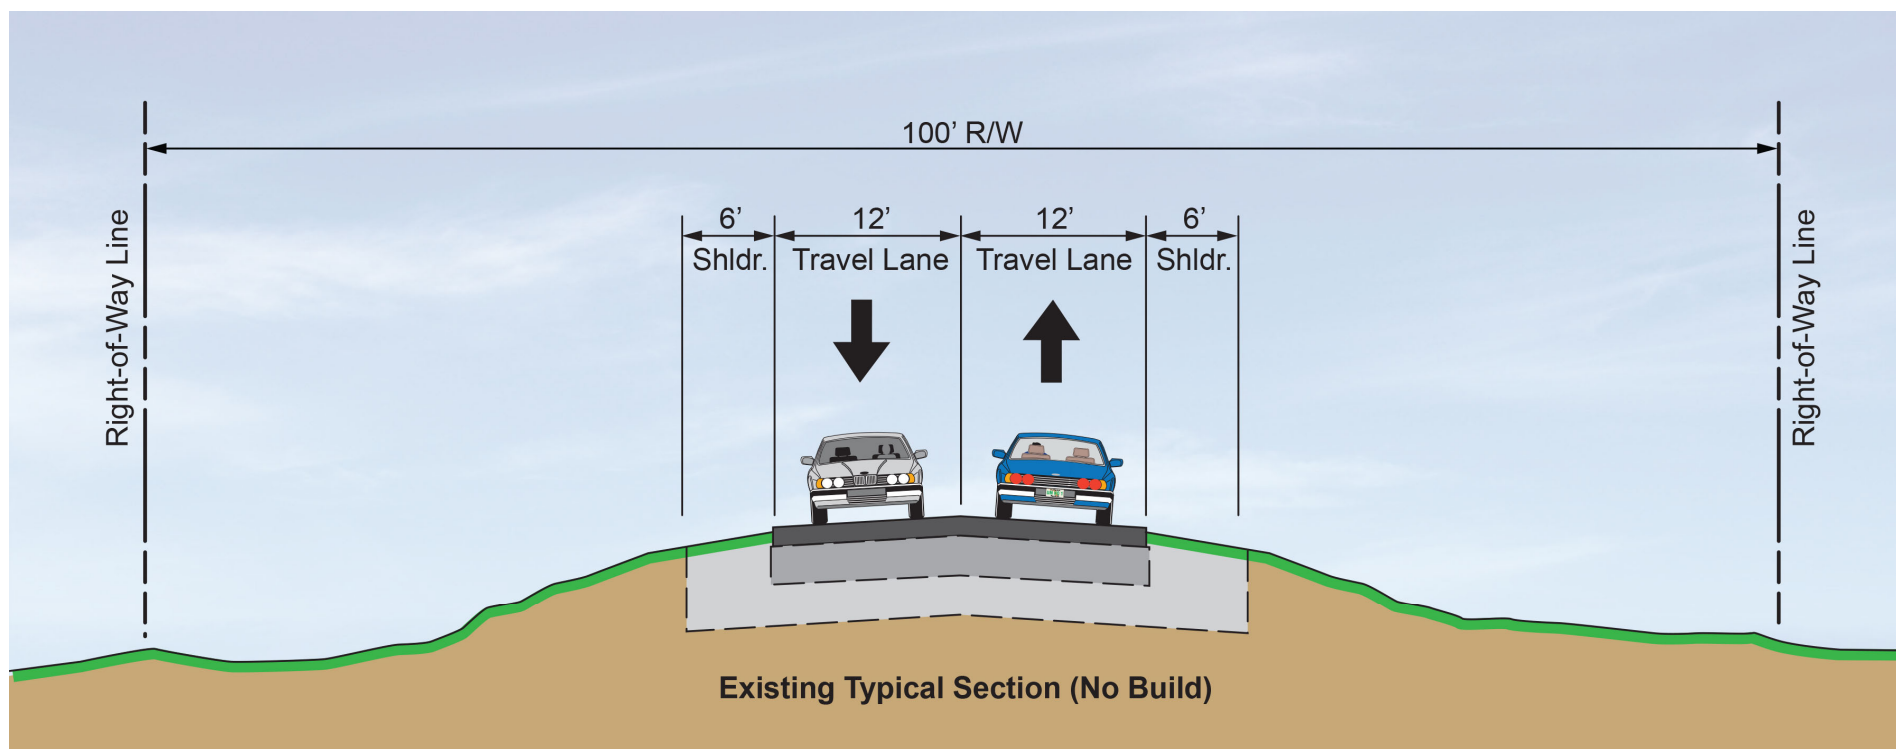

- Boggy Creek Road from Simpson Road to Narcoossee Road
- South of S.R. 417
- 5.9 miles

Project Purpose & Need

- Address congestion
- Improve traffic operations and safety
- Provide additional options for pedestrians and bicyclists
- Improve drainage
- Identify access management opportunities
- Minimize impacts to the environment and adjacent properties

Existing Typical Section

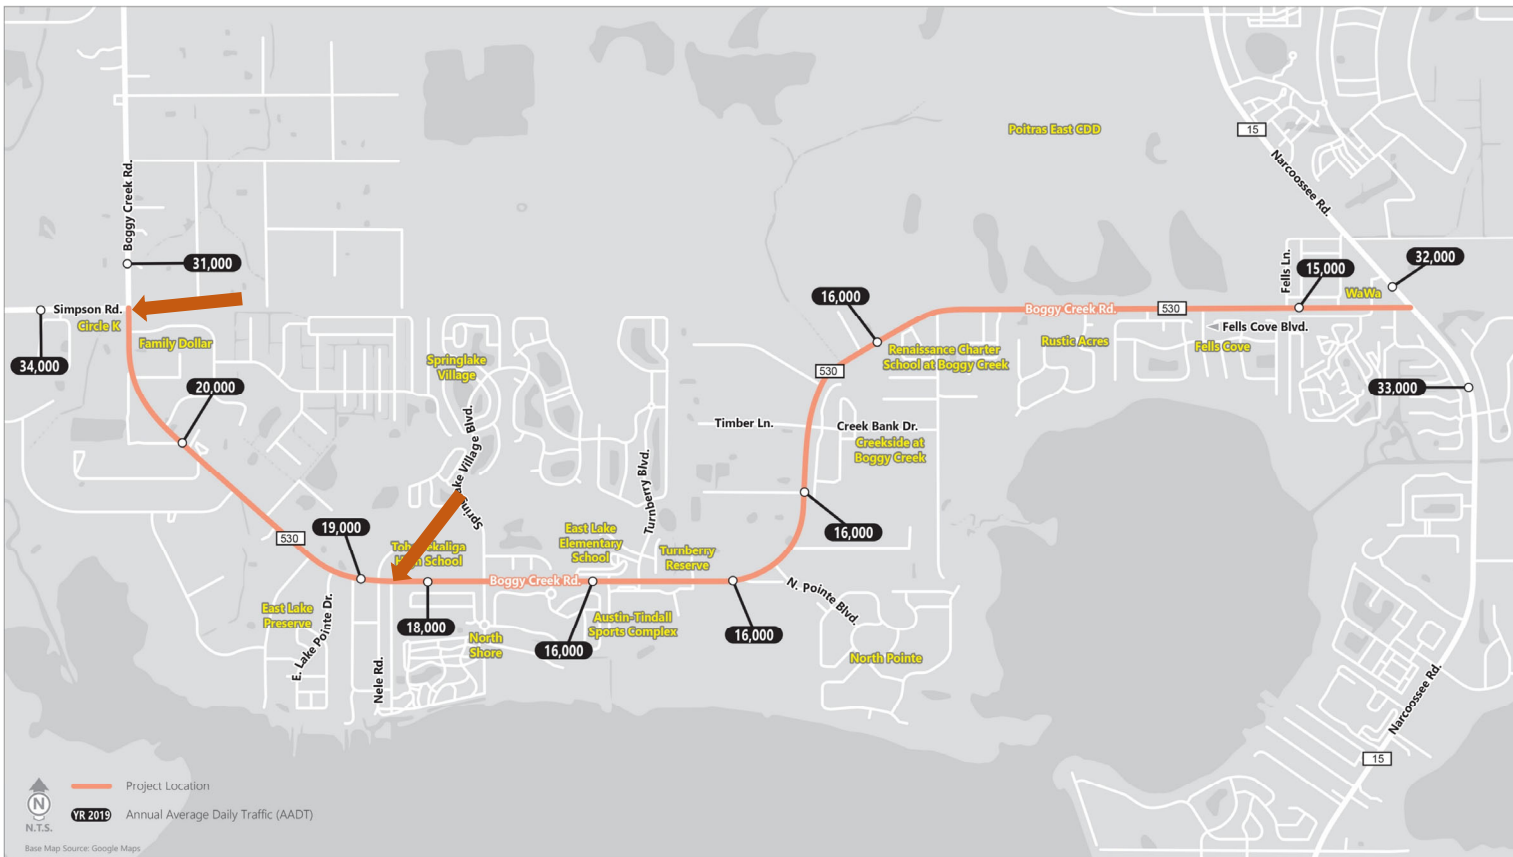

Existing Conditions

- Turn lanes at some locations
- Intermittent sidewalks
- No bicycle lanes
- Open drainage ditches

Current Traffic Volumes

Average traffic volumes range from 15,000 to 20,000 vehicles per day

Future Traffic Projections

By 2045, traffic volumes range from 36,500 and 41,500 vehicles per day

Crash History

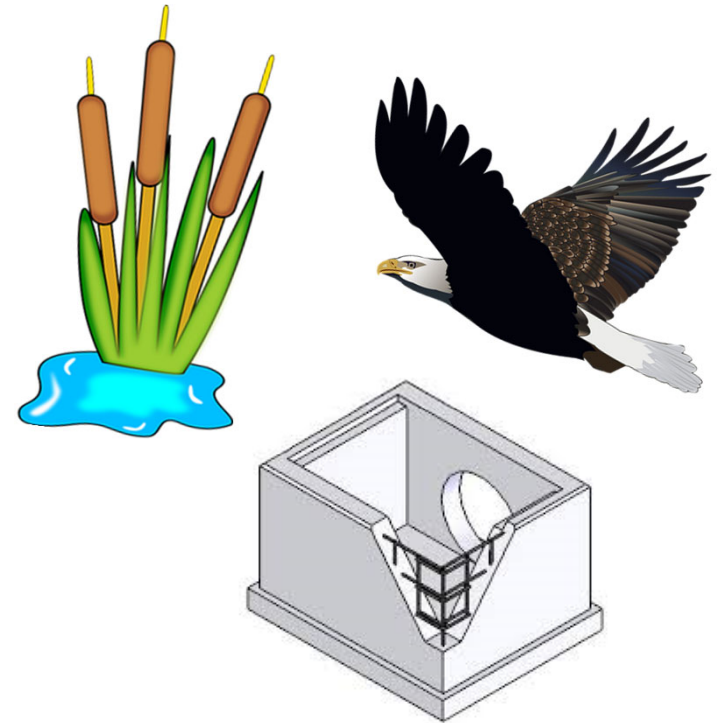

- 509 crashes (2015-2019)
- 5 fatalities
- 360 collisions at intersections
- 43% resulted in injury
- 41% rear-end crashes
- 26% involved left-turn movements

Environmental Analysis

- Project has included significant environmental analysis related to:
 - Wetlands
 - Endangered and protected species
 - Stormwater runoff
- Additional drainage infrastructure, including new water retention ponds will be needed.

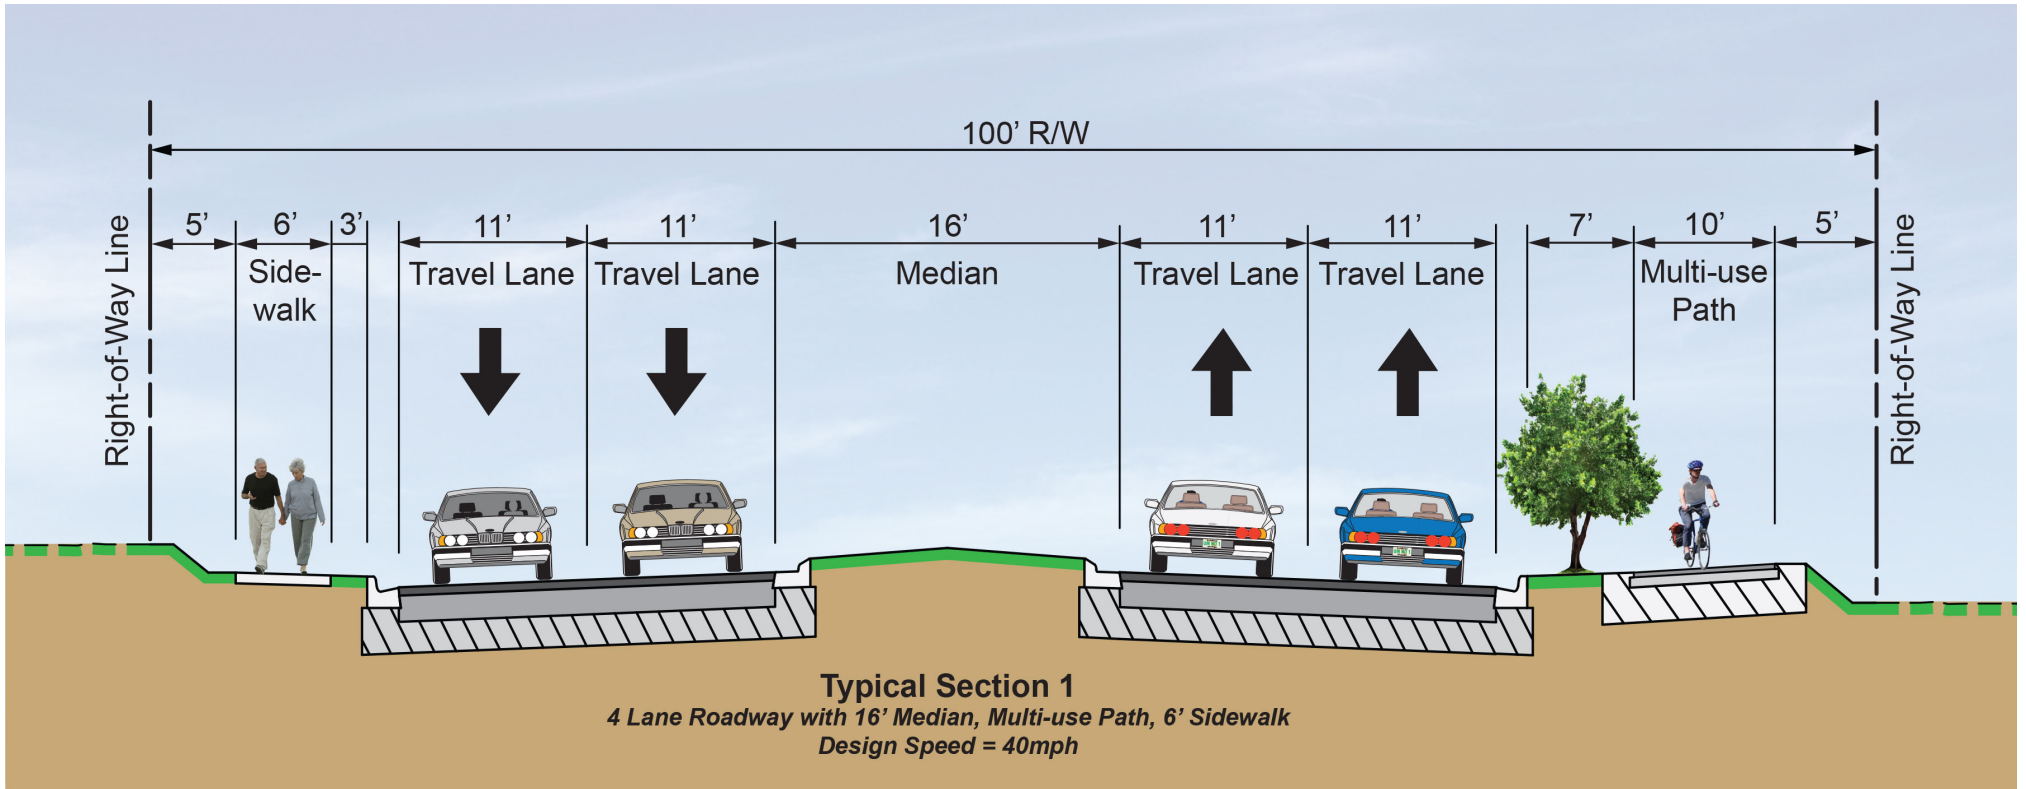

Proposed Alternatives

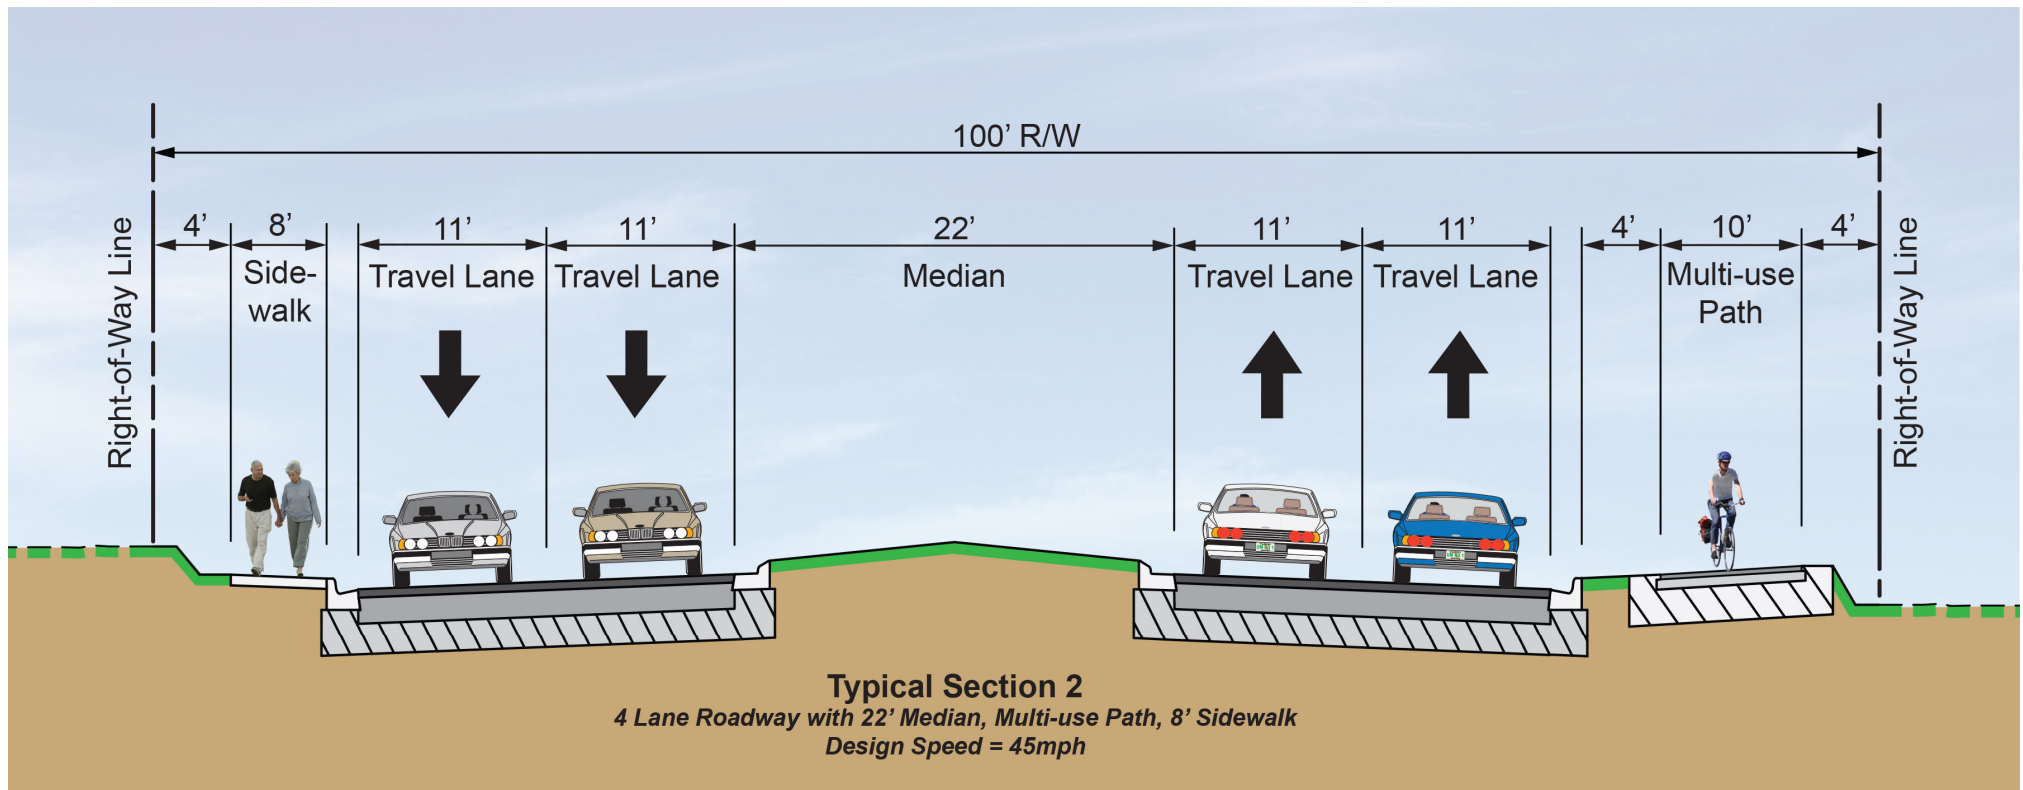

- Three typical section alternatives are being evaluated
- All options provide four travel lanes with a raised center median to improve safety and reduce congestion
- All three options provide a 10-foot-wide path on the south side of the road, and either a 6-foot-wide or 8-foot-wide sidewalk on the north side of the roadway
- All alternatives will provide a closed drainage system and stormwater treatment improvements
- All options provide enhancements to traffic signals and ITS operations

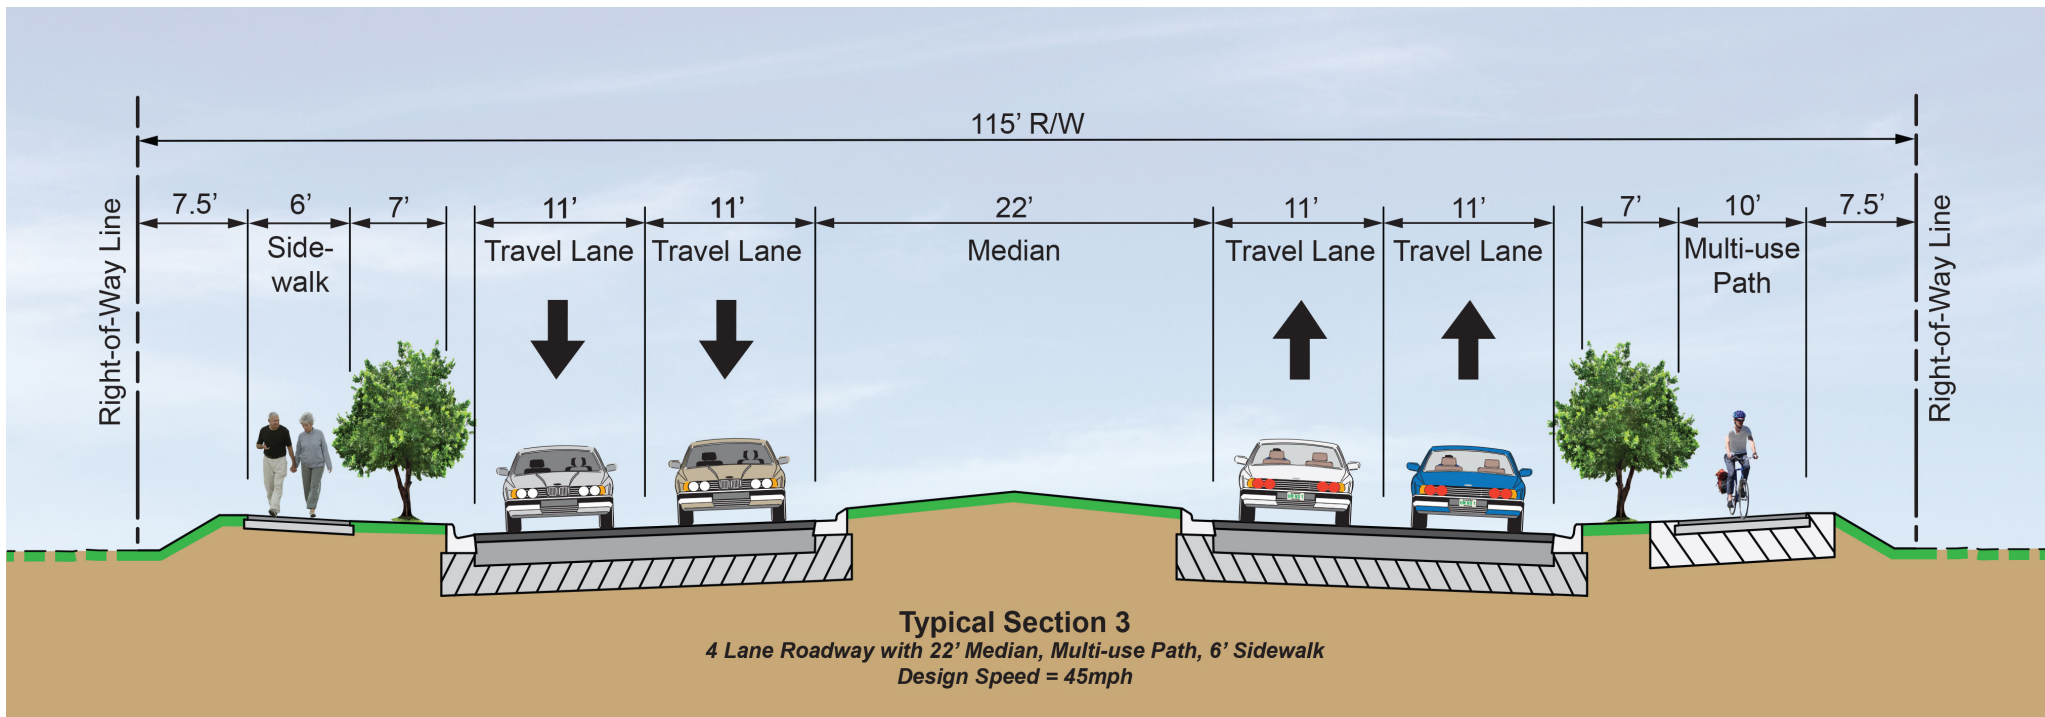

Proposed Alternative 1

Proposed Alternative 2

Proposed Alternative 3

Right-of-Way Process

For More Information, Contact:

Sally Myers

Right-of-Way and Asset Manager

Osceola County

407-742-0502

Sally.Myers@osceola.org

- Right-of-way acquisition will be needed for the improvements
- Exact right-of-way needs will be refined during final design
- Osceola County will contact affected property owners directly to begin discussions

Evaluation Matrix

	Units	No Build	Build Alternative 1	Build Alternative 2	Build Alternative 3
Right-of-Way Needs					
Right-of-Way Acreage Impacts	Acres	0	18.6	18.6	24.9
Parcel Impacts	Each	0	21	21	84
Environmental Impacts					
Floodplains	Acre-Feet	0	0.2	0.2	0.4
Wetland Impacts	Acres	0	2.1	2.1	2.2
Bald Eagle Nests	Each	0	0	0	0
Potential Contamination Sites	Each	0	2	2	6
Traffic Projections					
Level of Service	-	F	D	D	D
Preliminary Cost Estimates					
Preliminary Environmental Mitigation Cost	\$	\$0	\$264,000	\$264,000	\$336,000
Preliminary Construction and CEI Costs	\$	\$0	\$62,691,000	\$62,907,800	\$64,596,800
Preliminary Right-of-Way Costs	\$	\$0	\$4,332,000	\$4,332,000	\$8,557,000
Total Preliminary Project Cost Estimate	\$	\$0	\$67,287,000	\$67,503,800	\$73,489,800

LEGEND

Little/No Impacts

Medium Impacts

High Impacts

Project Schedule

Alternatives Evaluation

- Refine alternatives
- Staff recommendation
- BOCC to choose preferred alternative spring 2021

Final Design

- To begin spring 2021
- Completion in summer 2022

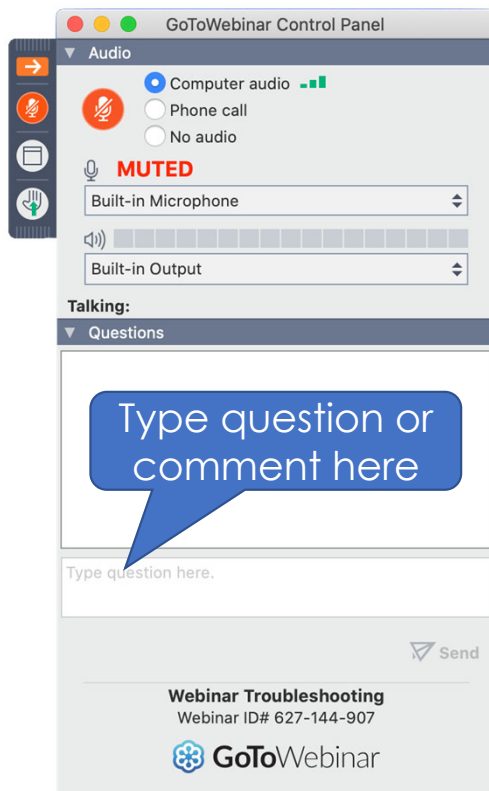

Right-of-Way

- Acquisition anticipated to begin late 2021

Construction

- Expected to begin fall 2023

We Want to Hear from You

- Type your questions or comments into the question pane
- Download a comment form from the handouts section and return it to the address shown on the form
- Download a comment form at www.Osceola.org/go/boggycreek
- Call or email the project team after the meeting by phone at 407-742-0557 or email at Conroy.Jacobs@osceola.org

While comments are accepted anytime, comments received by March 15, 2021, will become part of the public record for this meeting

Address: 3179 Queen Alexandra DR
City: Kissimmee State: FL Zip: 34744
Email: ARTICFIRE99@yahoo.com

Please use this comment form to express your opinions regarding the proposed alternatives to address capacity and safety needs on Boggy Creek Road. You may also email Osceola County Project Manager Conroy Jacobs directly at conroy.jacobs@osceola.org. Comments are always welcome. However, comments received by March 15, 2021, will become part of the record for this meeting.

COMMENTS:

We like #3 it provides for the most
movement of cars & people and the tree lines
add extra protection pedestrians

Please use this comment form to express your opinions regarding the proposed alternatives to address capacity and safety needs on Boggy Creek Road. You may also email Osceola County Project Manager Conroy Jacobs directly at conroy.jacobs@osceola.org. Comments are always welcome. However, comments received by March 15, 2021, will become part of the record for this meeting.

COMMENTS:

We request a left median cut to access
the "spine rd" or access road into area
at corner of Marcousee Rd & Boggy Creek
intersection.

Without this curb cut, there is no access
going East on Boggy Creek.

U-Turns and other options will affect
customers who will not visit convenience
stores and QSR restaurants if not easily
accessible.

Furthermore, new apartments and develop will be affected.

Please send comments or questions

However, comments received by March 15, 2021, will become part of the record for this meeting.

COMMENTS:

- ALTERNATIVE 3 IS SAFEST FOR MOST
- SHOULD HAVE BEEN DONE YEARS AGO
- SOME LIMITS NEEDED TO BE IN PLACE FOR FUTURE DEVELOPMENT
 - VALIDATED BY POOR GRADES IN FUTURE
no matter what happens
- TRY TO DO AS MUCH AS BEST AS POSSIBLE
- 40 MPH ADEQUATE FOR ALL ALTERNATIVES

COMMENTS:

I like design 2

Design 3 will cost more for acquisition ~~with the~~
~~more~~, Having the extra acquisition for the
trees makes the possibility of killing one more
done wrong and maintaining trees adds expense
If property owners would like a tree for
planting in their yard ^{they} would give the environmental
plus provided by trees, the beauty of trees without
danger or maintaining trees.

Osceola needs to extend along Simpson to Royal Palm

COMMENTS:

There will always be concerns with Boggy Creek Rd and the amount of traffic caused by poor planning of building prior to road construction. We will have to live with this project however another issue is our community wall is made of styrofoam; we've already had one incident with a vehicle going thru the entrance due to high speed making a left turn - We know you're trying to do what best and keep the cost down but this is our concern noise and safety...

However, comments received by March 15, 2021, will become part of the record for this meeting.

COMMENTS:

We have lived here since 1986 and feel that proposal #1 is the best for the following reasons:

1. Cost is the lowest.
2. Less accusation of land.
3. Lower speed limit which has been needed. The accident data and deaths prove that. As well as three schools in this area.
4. Semi-trucks travel at over 60 MPH at times. This lower speed limit will provide added safety. Trucks which daily pass through to and from the Taft area may want to take the Osceola Parkway extension when completed.
5. Best separation of bicycle lanes for students and pedestrians.
6. Individual landowners on Boggy Creek Road need help with sound barriers. Our property is in a rural enclave but will now be located on a four-lane highway.
7. The proposal shows that some of our land will be needed in every proposal. There are about 12 trees on the Boggy Creek border that may be impacted by the road. This needs to be considered since we are not a subdivision.
8. The intersection at Boggy Creek Road and Timber Lane was widened when the subdivision "Creekside at Boggy Creek" was started about two years ago. The road workers would park along our property on Timber Lane and put trash in our driveway culvert since they ate their food there. They used the property across from us on Timber Lane as a bathroom because it was not fenced in and no bathrooms were provided for them. This needs to be addressed before work is started. I went out of my way to even put a garbage can by my driveway for them to use. When other issues arose (one worker opened my chained gate and came on my property), I spoke to some of the workers, they tried to intimidate me. This cannot be tolerated. We need a contact and phone number to call so issues can be taken care of quickly.

Mr. Conroy Jacobs, AICP, MPA

Boggy Creek Road Improvements
Public Information Meeting
Thursday, March 4, 2021

Project Number: PS-20-11479-DG

PUBLIC COMMENT FORM

Name Gabriel Garcia Phone: _____
Address: 3040 Bay Laurel Cir S
City: Kissimmee State: FL Zip: 34744
Email: elcadejo59@gmail.com

Please use this comment form to express your opinions regarding the proposed alternatives to address capacity and safety needs on Boggy Creek Road. You may also email Osceola County Project Manager Conroy Jacobs directly at conroy.jacobs@osceola.org. Comments are always welcome. However, comments received by March 15, 2021, will become part of the record for this meeting.

COMMENTS: I'm in favor for the alternative project #3

I am a resident of Springlake Village, next door to Osceola's new Tohopekaliga High School, school and rush hour traffic overlaps and leaving my subdivision and try to make a left turn is too dangerous between 7:00 am and 8:30 am, also people that live across the street Veredas and North Shore subdivisions are having the same problem. Students that need to cross this intersection Springlake Village Blvd and Boggy Creek Rd there is no pedestrian crosswalk and no signal light is too dangerous to cross.

My opinion 1: We need a signal light to exit the 3 subdivisions on this intersection, to be safe.
2: Crosswalk for students.

Please send comments or questions via email or U.S. Mail to:

Boggy Creek Road Widening from Simpson Road (C.R. 530) to Narcoossee Road Alternatives Evaluation: PS-20-11479-DG

DATE	NAME	EMAIL / ADDRESS / PHONE	QUESTION / COMMENT
3/4/21 (from in person Public Meeting – PM)	Mary Wilson	mary@toypoodlesorlando.com 14939 Ward Rd. Orlando, FL 32824 616-666-2699	I like design 2. Design 3 will cost more for acquisition. Having the extra acquisition for the trees makes the probability of hitting one more dangerous and maintaining trees adds expense. If property owners would like a tree for panting in their yard, they would give the environmental plus provided by trees, the beauty of trees without the danger or maintaining trees. Osceola needs to extend along Simpson to Royal Palm.
3/4/21 (in person PM)	Varone & Grace Lall	23lisamiller@gmail.com 2810 Sail Breeze Way Kissimmee, FL 34744 954-226-1022 347-680-2716	Typical section 2 accepted Typical section with 22' median- will be best in the long term Ves Farmer's Market at corner Boggy Creek Road and Lake Vista Drive has a 10 acres parcel – which can be used by contractor for equipment storage and materials etc. Contact is above info. Thanking you in advance for your cooperations.
3/4/21 (in person PM)	Alan Fricker	Articfire99@yahoo.com 3179 Queen Alexander Dr. Kissimmee, FL 34744 631-897-4004	We like #3. It provides for the most movement of cars and people and the tree lines add extra protection (for?) pedestrians.
3/4/21 (in person PM)	David Eric Johns	David.eric.johns@gmail.com 2844 Sail Breeze Way Kissimmee, FL 34744 207-478-7796	-Alternative 3 is safest for most -Should have been done years ago -some limits need to be in place for future development -validated by poor grades in future no matter what happens -Try to do as much at night as possible -40 mph adequate for all alternatives
3/4/21 (in person PM)	Brenda Boone	(with McDonald's) Brenda.boone@us.mcd.com 2178 The Woods Dr. E. Jacksonville, FL 32246	We request a left median cut to access the "Spine Rd" or access road into area at corner of Narcoossee Rd & Boggy Creek intersection. Without this cut, there is no access going east on Boggy Creek. U-turns and other options will affect customers who will not visit convenience stores and QSR restaurants if not easily accessible. Furthermore, new apartments and developments will be affected.

(comment form attached to email)

We have lived here since 1986 and feel that proposal #1 is the best for the following reasons:

1. Cost is the lowest.
2. Less accusation of land.
3. Lower speed limit which has been needed. The accident data and deaths prove that. As well as three schools in this area.
4. Semi-trucks travel at over 60 MPH at times. This lower speed limit will provide added safety. Trucks which daily pass through to and from the Taft area may want to take the Osceola Parkway extension when completed.
5. Best separation of bicycle lanes for students and pedestrians.
6. Individual landowners on Boggy Creek Road need help with sound barriers. Our property is in a rural enclave but will now be located on a four-lane highway.
7. The proposal shows that some of our land will be needed in every proposal. There are about 12 trees on the Boggy Creek border that may be impacted by the road. This needs to be considered since we are not a subdivision.
8. The intersection at Boggy Creek Road and Timber Lane was widened when the subdivision "Creekside at Boggy Creek" was started about two years ago. The road workers would park along our property on Timber Lane and put trash in our driveway culvert since they ate their food there. They used the property across from us on Timber Lane as a bathroom because it was not fenced in and no bathrooms were provided for them. This needs to be addressed before work is started. I went out of my way to even put a garbage can by my driveway for them to use. When other issues arose (one worker opened my chained gate and came on my property), I spoke to some of the workers, they tried to intimidate me. This cannot be tolerated. We need a contact and phone number to call so issues can be taken care of quickly.

Improvements Input</p> <p>Thank you for the webinar for the Boggy Creek Rd. Improvements Project.</p> <p>During this planning stage we would like serious consideration regarding mitigation strategies to be implemented when construction begins to minimize or prevent cut through traffic between Boggy Creek Rd. and Simpson Rd. via Great Oaks Blvd., Lake Vista Rd., Pioneer Ct., Frontier Dr. and Boggy Terrace Rd.(the last one barely 2 lanes wide with hidden curves). These roads are within a designated Rural Enclave (or connect to them) with posted speed limits of 30 mph and 25 mph respectively.</p>

Boggy Creek Road Widening from Simpson Road (C.R. 530) to Narcoossee Road Alternatives Evaluation: PS-20-11479-DG

			<p>These used to be quiet rural roads that residents could ride their horses and bicycles on. However, since Toho High School has opened, it is <u>being used as a high speed cut through by cars, trucks and construction vehicles with clocked radar speeds of 50-60 mph (by Osceola Sherriff Deputies) – especially on Great Oaks Blvd.</u> One of my neighbors was almost hit pulling out of her driveway and I have almost been hit head on by cars going left of center on the curves due to very high speeds. It has become too dangerous for us to ride our horse here anymore (one of the reasons we live in a Rural Enclave). In the past, we have had a car come off the road and through our fence on Great Oaks Blvd. <u>Once the badly needed construction on Boggy Creek and Simpson Roads begins, this situation will definitely worsen and become extremely dangerous once construction begins as people try to get around backups at the already dangerous Boggy Creek-Simpson Road intersection. A person, a horse or a lost pet will be hit and/or killed.</u></p> <p>Thank you for your consideration of this request.</p> <p>Debra and Roger Sievers 3251 Great Oaks Blvd.</p>
3/4/21 (VPM)	Jose Suarez	suar907@gmail.com	<p>Would it be possible to make the intersection of Boggy Creek and Simpson Road a Roundabout? Currently that intersection has an extremely amount of accidents, and roundabouts have proven to be safer then traditional intersections.</p> <p>Will there be turning lanes added in additional to the proposed 4 lane roads? For example turning lanes in front of the 2 schools on Boggy Creek.</p> <p>Would it be possible to add a school crossing guard at the Holiday Woods drive and Boggy Creek?</p> <p>How do we inquire crossing guards at holiday woods drive and boggy creek?</p> <p>Could a consideration be considered for a light a spring lake village? Exit from Holliday Woods Drive is already very difficult. This will be more of an issue with four lanes, increased accidents as well.</p>
3/4/21 (VPM)	Carl Thompson	thompsc@gmail.com	Will Simpson road project be completed before this starts?
3/4/21 (VPM)	Patrick Timmerman	p_timmerman@yahoo.com	Is there a significant cost difference between the alternatives?
3/4/21 (VPM)	Thad Tivin	ttivin@gmail.com	Will there be money allocated for building of higher noise abatement walls? Especially over by the Fells Cove Community..

Boggy Creek Road Widening from Simpson Road (C.R. 530) to Narcoossee Road Alternatives Evaluation: PS-20-11479-DG

3/4/21 (VPM)	Martin Valerio	martin.f.valerio@gmail.com	Will the expansion of boggy creek and Simpson road occur simultaneously? Will lightning along boggy creek will be provided to make it safe for pedestrians and cyclists?
3/4/21 (VPM)	Prinson Yohannan	prinson.yohannan@gmail.com	as per the master plan, there is another project of Osceola Pkwy Extension next to this road. How does both road interacts after construction?
3/4/21 (VPM)	Edward Chung	chunge2000@gmail.com	will property taxes increase?
3/4/21 (VPM)	Arlene Conow	arleneconow@gmail.com	When you mentioned about the ponds, is the Northshore community pond will be used in any extra way? why would you not place a traffic light on the entrance of spring lake... it takes forever to get out from northshore and veredas to get out?
3/4/21 (VPM)	Dawn Pawlikowsky	dmpawlik@yahoo.com	Does this override the potential Osceola parkway extension? Is there a change to the Narcoossee road intersection expected?
3/4/21 (post meeting)	Jahimael Hance	jahimael1125@gmail.com	From: Jahimael Hance [mailto:jahimael1125@gmail.com] Sent: Thursday, March 4, 2021 7:41 PM To: Conroy D Jacobs < Conroy.Jacobs@OSCEOLA.ORG > Subject: Road project boggy creek road Hi there I have some questions about the project I was listing to the meeting today through phone call and I have some questions that were not answerd in the meeting today . First question is at what time will construction be happening will it be in the morning or night the road project construction. Second if it's in the morning will drivers expect heavy traffic delays or normal traffic delays and when will the next meeting be happening like it was today .

Boggy Creek Road Widening from Simpson Road (C.R. 530) to Narcoossee Road Alternatives Evaluation: PS-20-11479-DG

			<p>Name: Neal Alexandra</p> <p>Address: 3508 Starkey Drive Kissimmee, FL 34744</p> <p>Phone: (651) 485-6674</p> <p>Email: trav9505@hotmail.com</p> <p>Comment:</p> <p>Hello - I was not able to attend the Public Meeting for the Boggy Creek road improvements. I wanted to just give some suggests but completely open to what the community decides.</p> <p>1. Are there considerations for walking paths along the complete length of the road way? It would be nice to be able to walk down the road on some walkways.</p> <p>2. Intersections: Are we considering roundabouts? It is a bit challenging to get across these roads at certain points in the day. In addition, will these roundabout slow traffic down a bit. Would the community save on use of power for stop lights? Is this safer for children with the three schools on this roadway? Not sure but figured this may be something under consideration.</p> <p>Thank you very much in advance for my comments.</p>

<p>3/9/21 (Did attend in person meeting, emailed after meeting)</p>	<p>Diane Simons</p>	<p>Rahoa1and2@gmail.com</p> <p>3221 Maple Run Kissimmee, FL 34744</p> <p>321-895-5465</p> <p>(Rustic Acres Homeowners Association Secretary Units 1 & 2)</p>	<p>From: Diane Simons [mailto:rahao1and2@gmail.com] Sent: Tuesday, March 9, 2021 3:27 PM To: Conroy D Jacobs <Conroy.Jacobs@OSCEOLA.ORG> Subject: project # PS-20-11479-DG</p> <p>Dear Mr. Jabobs,</p> <p>Let me begin by saying, the people who are planning the widening of Boggy Creek Rd from Simpson Rd to Narcoossee Rd need to drive this road every day morning, afternoons (bus times) and evenings. Right now Rustic Acres (where we live), Fells Cove, Fells Landing, and especially The Floridian Rv Resort and Majestic Oaks are being boxed in and have a terrible time trying to get out of their communities. The plans that have been designed, still do not alleviate the troubles we are having exiting our communities. I would like the designers of these plans to try to get out of the Floridian Rv Resort every day for a week and tell me that these plans will help. It is a nightmare and I don't see how it will get better, especially where they won't be able to make a left turn and will have to do a u turn to make a left at the light on Narcoossee. There are so many accidents now and people having to do a u turn coming into the traffic of the people leaving the new apartment complex being built and WaWa will only cause more. The poor people of Majestic Oaks can't make a left turn at either entrance/exit from their community and have to do a u turn on Narcoossee Rd, which isn't wide enough.</p> <p>My other concern, is with all the traffic that is and will be coming onto Boggy Creek Rd, our community wall in front of Rustic Acres that aligns Boggy Creek Rd is made out of Styrofoam and is already showing signs of duress from the vibration of the trucks and equipment that is driving back and forth across the roadway. We want this wall replaced with a more sufficient wall, preferably with cement. We have already had an incident where a car has gone through it and we are afraid there will be many more. There isn't a lot of space between the wall and our homeowners who live alongside Boggy Creek Rd and should there be another accident, one of our homeowners could get severely hurt if not worse.</p> <p>Sincerely,</p> <p>Diane L Simons, Secretary</p> <p>Rustic Acres Homeowners Association</p> <p>Units 1 & 2</p> <p>3221 Maple Run, Kissimmee, FL 34744</p>

3/14/21	Gabriel Garcia	<p>Elcadejo59@gmail.com</p> <p>3040 Bay Laurel Circle South Kissimmee, FL 34744</p>	<p>I'm in favor for the alternative project #3. I am a resident of Spring Lake Village, next door to Osceola's new Tohopekaliga High School, school and rush hour traffic overlaps and leaving my subdivision and try to make a left turn is too dangerous between 7:00 a.m. and 8:30 a.m., also people that live across the street Veredas and North Shore subdivisions are having the same problem. Students that need to cross this intersection Springlake Village Blvd and Boggy Creek Rd there are no pedestrian crosswalk and no signal light is too dangerous to cross. My opinion is we need a signal light to exit the 3 subdivisions on this intersection to be safe. 2: crosswalk for students.</p>
3/15/21	Scott Fergerson	<p>sfergerson@orlandodiocese.org</p> <p>50 East Robinson St. Orlando, FL 32801</p> <p>407-246-4869</p>	<p>From: Scott Fergerson [mailto:sfergerson@orlandodiocese.org] Sent: Monday, March 15, 2021 9:17 AM To: Conroy D Jacobs <Conroy.Jacobs@OSCEOLA.ORG> Subject: Diocese of Orlando public comment / Boggy Creek Road expansion Importance: High</p> <p>Dear Mr. Jacobs,</p> <p>Please see our comment to be included in the public record. Thank you.</p> <p>Representatives of John G. Noonan, as Bishop of the Roman Catholic Diocese of Orlando ("Diocese of Orlando") attended the virtual public meeting held by Osceola County on March 4, 2021. We were surprised to learn in advance of the meeting that the design of the Boggy Creek Road Expansion Project includes the proposed "Pond 11" being placed on our property (see attached). Our property resides within the City of Orlando (Orange County) and we have never been contacted by Osceola County to discuss its needs or intent to acquire a portion of the Diocese property. We have been closely working with the Central Florida Expressway Authority ("CFX") since 2019, who also contemplated placing retention ponds on our property for the Osceola Parkway Extension, but agreed in September 2020 to relocate them elsewhere. Placement of any retention on our property for external projects would have a significant adverse impact on our development.</p> <p>The Diocese of Orlando has owned the approximately sixty-three (63) acre property east of Narcoossee road, at the Boggy Creek intersection (Parcel ID#32-24-31-0000-00004 and 33-24-31-0000-00010), since 1988. The property was acquired by the Diocese of Orlando with deliberate intention to be utilized for a church and private Catholic high school. The Diocese subsequently spent several years in discussions and planning for the property's development including annexation to the City of Orlando and obtaining a PD for the proposed uses. Plans for the new church and high school had been interrupted temporarily while CFX/OCX processed the original PD&E study. That original PD&E study,</p>

Boggy Creek Road Widening from Simpson Road (C.R. 530) to Narcoossee Road Alternatives Evaluation: PS-20-11479-DG

		<p>when approved, did not propose any impacts to the Diocese of Orlando's property. Based on the approved alignment, Bishop Noonan advanced the Diocese's plans by engaging an engineering firm to refine the master plan and engaging an architectural firm to design the Phase I church building. The project engineering firm conducted pre-application meetings with the City of Orlando on December 20, 2018 and water management district on January 9, 2019. Bishop Noonan then established the Catholic parish of St. Frances Xavier Cabrini on July 1, 2019 and named Fr. Charles Viviano as its founding pastor. Currently, Mass for St. Frances Xavier Cabrini is being celebrated at Narcoossee Middle School, in anticipation of the new church being constructed on the Diocese property.</p> <p>Since coming to agreement with CFX in September 2020 to relocate their proposed retention ponds, we have continued our planning for the future church and Catholic high school. Conversations with Orange County have taken place regarding our main access into the property at the intersection of Narcoossee Road and Boggy Creek. Our attached site master plan is only able to accommodate retention for our development, so Osceola County's proposed "Pond 11" on the Diocese property renders the property undevelopable for its intended use as a church and high school. Therefore, please note the objection and opposition to this design. We look forward to being personally engaged with Osceola County to seek a more preferable and viable alternative as relates to the improvements sought by CFX, Orange, and Osceola Counties in and about the Boggy Creek intersection at Narcoossee.</p> <p>Scott Ferguson Ecclesiastical Properties Secretariat Secretary of Ecclesiastical Properties / Senior Director of Real Estate Licensed Real Estate Broker DIOCESE OF ORLANDO 50 East Robinson St. Orlando, FL 32801 P 407.246.4869 sfergerson@orlandodiocese.org</p>

Subject: Public Meeting – Response to Questions/Comments
Boggy Creek Road Improvements
From Simpson Road to Narcoossee Road
Osceola County
Project No.: PS-20-11479-DG

Dear Ms. Pawlikowsky,

On behalf of Osceola County, we would like to thank you for attending the public meeting for the Boggy Creek Road Improvements Project on Thursday, March 4, 2021, and for submitting your question.

You asked about the Osceola Parkway Extension. The Osceola Parkway Extension is in no way associated with the Boggy Creek Road project. It is being developed by the Central Florida Expressway Authority. For more information on that project, log on to www.CFXway.com. Also, the proposed Osceola Parkway Extension is a limited access tolled roadway. Boggy Creek Road is a non-tolled roadway owned by Osceola County.

You also wanted to know if there are any changes coming to the Boggy Creek Road and Narcoossee Road intersection. This project extends the four-lane intersection, replaces the traffic signals and improves the crosswalks. The intersection recently underwent a conversion of the eastbound-to-northbound dual left turn lanes. Any further improvements at the intersection will need to be coordinated with Orange County and the City of Orlando outside of this project.

The County reviewed all comments and questions to develop a preferred alternative that was presented to the Osceola County Board of County Commissioners for consideration. On April 5, the Commissioners voted to advance Alternative 2 with some refinements to final design. You can view the presentation that was presented to the Board of County Commissioners by logging on to www.osceola.org/go/boggycreek and clicking on the BOCC Presentation. The project now enters the design phase. Another public meeting is anticipated late this year to go over the updated project plans.

In the meantime, please do not hesitate to contact Project Manager Conroy Jacobs at 407-742-0557 or conroy.jacobs@osceola.org with any further questions or comments.

Thank you.

Osceola County
Project No.: PS-20-11479-DG

Dear Mr. Abbott,

On behalf of Osceola County, we would like to thank you for your email regarding the Boggy Creek Road Improvements Project.

You commented that Simpson Road from Boggy Creek Road to State Road (S.R.) 417 needs to be widened. That segment of Boggy Creek Road is in Orange County. We have been told Orange County expects construction on that project to begin in summer 2021. You can reach out to Orange County's Senior Engineer, Roberto Ng, to get more details on that project. His phone number is 407-836-8067 and his email is Roberto.ng@ocfl.net.

The County reviewed all comments and questions to develop a preferred alternative that was presented to the Osceola County Board of County Commissioners for consideration. On April 5, the Commissioners voted to advance Alternative 2 with some refinements to final design. You can view the presentation that was presented to the Board of County Commissioners by logging on to www.osceola.org/go/boggycreek and clicking on the BOCC Presentation. Project No.: PS-20-11479-DG

Dear Ms. Agosto,

On behalf of Osceola County, we would like to thank you for attending the public meeting for the Boggy Creek Road Improvements Project on Thursday, March 4, 2021, and for submitting your questions and comments.

We appreciate your input supporting Alternative 2. You also asked whether any new traffic lights are planned and whether the schedule can be accelerated.

An extensive traffic study was performed to analyze the traffic conditions between now and the design year 2045. That analysis found no need to warrant any additional traffic signals at this time. There will be enhancements made at the existing four signalized intersections along the corridor, and Osceola County will continue to monitor traffic in the future.

As far as the schedule, the County is following a schedule that is as aggressive as possible. Funding is in place to get us all the way through construction which is anticipated to begin in fall 2023.

The County reviewed all comments and questions to develop a preferred alternative that was presented to the Osceola County Board of County Commissioners for consideration. On April 5, the Commissioners voted to advance Alternative 2 with some refinements to final design. You can view the presentation that was presented to the Board of County Commissioners by logging on to www.osceola.org/go/boggycreek and clicking on the BOCC Presentation. Boggy Creek Road Improvements
From Simpson Road to Narcoossee Road
Osceola County
Project No.: PS-20-11479-DG

Dear Mr. Alexandra,

On behalf of Osceola County, we would like to thank you for your email regarding the Boggy Creek Road Improvements Project.

You asked if there will be any walking paths along the complete length of the roadway. All of the alternatives proposed include a sidewalk on the north side of the roadway and a multi-use path on the south side of the roadway.

You also asked if there will be any roundabouts. Roundabouts were not considered as part of this project. Roundabouts typically require more right of way than currently exists. That would mean additional acquisition, which could result in significant impacts to property owners.

You may watch the meeting presentation to learn more about the alternatives on the project website at www.osceola.org/go/boggycreek.

The County reviewed all comments and questions to develop a preferred alternative that was presented to the Osceola County Board of County Commissioners for consideration. Dear Ms. Pena,

On behalf of Osceola County, we would like to thank you for your email regarding the Boggy Creek Road Improvements Project.

You asked about right of way acquisition. Right of way needs will be determined during the final design phase of this project after a preferred alternative is selected. Once the properties are identified, the County will contact any affected property owners directly to begin discussions. We anticipate the right of way phase to begin in late 2021 or early 2022. In the meantime, for any right of way questions, please contact Osceola County Right of Way and Asset Manager Sally Myers at 407-742-0502 or email at sally.myers@osceola.org.

The County reviewed all comments and questions to develop a preferred alternative that was presented to the Osceola County Board of County Commissioners for consideration. On April 5, the Commissioners voted to advance Alternative 2 with some refinements to final design. You can view the presentation that was presented to the Board of County Commissioners by logging on to www.osceola.org/go/boggycreek and clicking on the BOCC Presentation. The project now enters the design phase. Another public meeting is anticipated late this year to go over the updated project plans.

In the meantime, please do not hesitate to contact Project Manager Conroy Jacobs at 407-742-0557 or conroy.jacobs@osceola.org with any further questions or comments.

Thank you.

Boggy Creek Road Improvements**
From Simpson Road to Narcoossee Road
Osceola County
Project No.: PS-20-11479-DG

Dear Ms. Boone,

On behalf of Osceola County, we would like to thank you for attending the public meeting for the Boggy Creek Road Improvements Project on Thursday, March 4, 2021, and for submitting your comments.

Your request of an access road or left turn median access at the corner of Narcoossee Road and Boggy Creek Road has been sent to the project team, along with the map you submitted with your request. A member of the project team will reach out to you to discuss your comments.

The County reviewed all comments and questions to develop a preferred alternative that was presented to the Osceola County Board of County Commissioners for consideration. On April 5, the Commissioners voted to advance Alternative 2 with some refinements to final design. You can view the presentation that was presented to the Board of County Commissioners by logging on to www.osceola.org/go/boggycreek and clicking on the BOCC Presentation. The project now enters the design phase. Another public meeting is anticipated late this year to go over the updated project plans.

In the meantime, please do not hesitate to contact Project Manager Conroy Jacobs at 407-742-0557 or conroy.jacobs@osceola.org with any further questions or comments.

Thank you.

Boggy Creek Road Improvements**
From Simpson Road to Narcoossee Road
Osceola County
Project No.: PS-20-11479-DG

Dear Mr. Botello,

On behalf of Osceola County, we would like to thank you for attending the public meeting for the Boggy Creek Road Improvements Project on Thursday, March 4, 2021, and for submitting your questions and comments.

You wanted to know if there are any plans for a fire station or police station along Boggy Creek Road. Osceola County Fire Rescue is planning to build a new Austin Tindall Fire Station. The project team will coordinate with Fire Rescue throughout the project to ensure appropriate accommodations.

The County reviewed all comments and questions to develop a preferred alternative that was presented to the Osceola County Board of County Commissioners for consideration. On April 5, the Commissioners voted to advance Alternative 2 with some refinements to final design. You can view the presentation that was presented to the Board of County Commissioners by logging on to www.osceola.org/go/boggycreek and clicking on the BOCC Presentation. The project now enters the design phase. Another public meeting is anticipated late this year to go over the updated project plans.

In the meantime, please do not hesitate to contact Project Manager Conroy Jacobs at 407-742-0557 or conroy.jacobs@osceola.org with any further questions or comments.

Thank you.

Subject: Public Meeting – Response to Questions/Comments
Boggy Creek Road Improvements
From Simpson Road to Narcoossee Road
Osceola County
Project No.: PS-20-11479-DG

Dear Mr. Brewer,

On behalf of Osceola County, we would like to thank you for attending the public meeting for the Boggy Creek Road Improvements Project on Thursday, March 4, 2021, and for submitting your questions and comments.

You had several questions, including whether the plan addresses access to the high school. The addition of two lanes on Boggy Creek Road will help with the traffic flow through the school zones and school areas. Once the preferred alternative is in the design phase, there will also be proposed left and right turn lanes into most of the school entrances, which will also facilitate better traffic flow.

You also asked about traffic signals. An extensive traffic study was performed to analyze the traffic conditions between now and the design year of 2045. That analysis found no need to warrant any additional traffic signals. There will be enhancements made at the existing four signalized intersections along the corridor.

Another question you had was why not make this a six-lane road instead of four lanes. We performed a traffic analysis looking at traffic volumes in the year 2045, considering current and future land uses along the corridor. The results showed a four-lane roadway will handle the anticipated traffic at an acceptable level. Additionally, a four-lane roadway with a raised median can be accommodated within existing right of way, reducing the amount of additional right of way that will need to be purchased.

You also wanted to know if the single left turn lane from Boggy Creek Road onto Simpson Road would become a double turn lane. We are making improvements to the approach from Boggy Creek Road to Simpson Road. They include lengthening the turn lane, as well as proposing a dual left turn lane. The recommendation is based on the analysis performed for the 2045 traffic demands. The turn lanes will be determined during the final design phase once a preferred alternative is chosen.

As for the Austin-Tindall Park entrances. The project proposes to maintain the existing three entrances. We will share your comments about traffic patterns within the park with Park staff.

You wanted to know if Nele Road would be improved to have a defined left turn lane at the existing light. We do anticipate adding a left and a through-right lane at the Nele Road approach to the high school.

You asked about stormwater flow and potential pond sites. We have done a pond siting analysis and determined that we will have to acquire sites for the stormwater retention ponds along the corridor. We have identified three potential pond

sites per basin, which will be evaluated as we go into the final design phase. They are identified in the exhibits on the website at the link below. The water would be routed in underground pipes to each of these potential pond sites.

You also wanted to know if the height of the road will be raised and, if so, by how much. As part of the roadway design, we look at the seasonal highwater tables and the flood plain elevations along the corridor and take those into consideration when we do the final design. At this point, we do anticipate the road to be raised slightly higher than it is today. However, we won't know by how much until we finalize all the geotechnical investigations in the final design phase.

Next, you asked about the Lake Nona entrance on Boggy Creek Road. That project is currently under construction. It is anticipated that it will be complete well ahead of when our construction will begin.

Lastly, you wanted to know if Holiday Woods Drive will be altered to provide a left turn lane onto Boggy Creek Road. At this time, there are no proposed improvements to Holiday Woods Drive as part of this project.

The County reviewed all comments and questions to develop a preferred alternative that was presented to the Osceola County Board of County Commissioners for consideration. On April 5, the Commissioners voted to advance Alternative 2 with some refinements to final design. You can view the presentation that was presented to the Board of County Commissioners by logging on to www.osceola.org/go/boggycreek and clicking on the BOCC Presentation. The project now enters the design phase. Another public meeting is anticipated late this year to go over the updated project plans.

In the meantime, please do not hesitate to contact Project Manager Conroy Jacobs at 407-742-0557 or conroy.jacobs@osceola.org with any further questions or comments.

Thank you.

Subject: Public Meeting – Response to Questions/Comments
Boggy Creek Road Improvements
From Simpson Road to Narcoossee Road
Osceola County
Project No.: PS-20-11479-DG

Dear Ms. Brown,

On behalf of Osceola County, we would like to thank you for attending the public meeting for the Boggy Creek Road Improvements Project on Thursday, March 4, 2021, and for submitting your questions and comments.

You asked if the development of a new 450-unit apartment building complex was the reason for widening Boggy Creek Road. In 2019, Osceola County made one of the largest investments in its history for road improvements. Boggy Creek Road was one of five roads targeted for improvements. These roads were prioritized based on a number of factors, including traffic congestion, the number of accidents, and other factors designed to improve the flow of traffic.

As part of this project, additional traffic analysis was performed that considered current and planned development in the area. The analysis shows traffic nearly doubling on this stretch of Boggy Creek Road by 2045. Adding a lane in each direction will help accommodate the additional traffic and help improve the traffic flow.

The March 4 public meeting was part of the alternatives study phase for this project. Another public meeting is planned during the final design phase, probably later this year. Additionally, the County encourages the public to stay up to date on projects and provide input.

The County reviewed all comments and questions to develop a preferred alternative that was presented to the Osceola County Board of County Commissioners for consideration. On April 5, the Commissioners voted to advance Alternative 2 with some refinements to final design. You can view the presentation that was presented to the Board of County Commissioners by logging on to www.osceola.org/go/boggycreek and clicking on the BOCC Presentation. The project now enters the design phase.

In the meantime, please do not hesitate to contact Project Manager Conroy Jacobs at 407-742-0557 or conroy.jacobs@osceola.org with any further questions or comments.

Thank you.

Osceola County
Project No.: PS-20-11479-DG

Dear Ms. Catello,

On behalf of Osceola County, we would like to thank you for attending the public meeting for the Boggy Creek Road Improvements Project on Thursday, March 4, 2021, and for submitting your comments.

You mentioned concerns about the amount of traffic on Boggy Creek Road as a result of development. You stated that your main concern is the inadequacy of your community wall to prevent vehicles from entering private properties and to help keep noise down.

A goal of this project is to enhance safety along the corridor and make improvements to better accommodate traffic flow. The final configuration of the roadway, including how close it may come to your neighborhood, will be determined during the final design process once the Board of County Commissioners chooses a preferred alternative.

A noise study was not performed as part of this project, and noise walls are not anticipated as part of the construction.

The County reviewed all comments and questions to develop a preferred alternative that was presented to the Osceola County Board of County Commissioners for consideration. On April 5, the Commissioners voted to advance Alternative 2 with some refinements to final design. You can view the presentation that was presented to the Board of County Commissioners by logging on to www.osceola.org/go/boggycreek and clicking on the BOCC Presentation. The project now enters the design phase. Another public meeting is anticipated late this year to go over the updated project plans.

In the meantime, please do not hesitate to contact Project Manager Conroy Jacobs at 407-742-0557 or conroy.jacobs@osceola.org with any further questions or comments.

Thank you.

**Subject: Public Meeting – Response to Questions/Comments
Boggy Creek Road Improvements**
From Simpson Road to Narcoossee Road
Osceola County
Project No.: PS-20-11479-DG

Dear Ms. Chaffin,

On behalf of Osceola County, we would like to thank you for attending the public meeting for the Boggy Creek Road Improvements Project on Thursday, March 4, 2021, and for submitting your questions and comments.

You had a few questions, including the future traffic projections along the corridor. Currently, there is an average of 15,000 to 20,000 vehicles per day traveling this stretch of Boggy Creek Road. By 2045, that number is expected to be between 36,500 and 41,500 vehicles per day, nearly double what it is now.

Additionally, you wanted to know if any new crosswalks will be incorporated at the intersection of Boggy Creek Road and Narcoossee Road. The four existing signalized intersections will all be improved, including the intersection at Narcoossee Road. Those enhancements will include adding turn lanes, improving the signals and adding crosswalks.

You also wanted to know if the speed limit will change. The proposed speed limit for this project will potentially be lowered to either 40 or 45 miles per hour. The decrease in speed will enhance safety for all users.

The County reviewed all comments and questions to develop a preferred alternative that was presented to the Osceola County Board of County Commissioners for consideration. On April 5, the Commissioners voted to advance Alternative 2 with some refinements to final design. You can view the presentation that was presented to the Board of County Commissioners by logging on to www.osceola.org/go/boggycreek and clicking on the BOCC Presentation. The project now enters the design phase. Another public meeting is anticipated late this year to go over the updated project plans.

In the meantime, please do not hesitate to contact Project Manager Conroy Jacobs at 407-742-0557 or conroy.jacobs@osceola.org with any further questions or comments.

Thank you.

Subject: Public Meeting – Response to Questions/Comments
Boggy Creek Road Improvements
From Simpson Road to Narcoossee Road
Osceola County
Project No.: PS-20-11479-DG

Dear Mr. Chetram,

On behalf of Osceola County, we would like to thank you for attending the public meeting for the Boggy Creek Road Improvements Project on Thursday, March 4, 2021, and for submitting your questions and comments.

You wanted to know if there would be an entrance from Boggy Creek Road to the new Tavistock community. There is a Boggy Creek Road entrance to Tavistock planned, which is being coordinated between Orange and Osceola counties. Tavistock is contributing to the improvements of Boggy Creek Road to ensure that the impacts of that development are taken into account for the roadway improvements.

You also asked about why a noise study was not conducted. Given the type of corridor and the extent of planned improvements, noise levels would not be expected to increase sufficiently to warrant construction of a noise wall.

The County reviewed all comments and questions to develop a preferred alternative that was presented to the Osceola County Board of County Commissioners for consideration. On April 5, the Commissioners voted to advance Alternative 2 with some refinements to final design. You can view the presentation that was presented to the Board of County Commissioners by logging on to www.osceola.org/go/boggycreek and clicking on the BOCC Presentation. The project now enters the design phase. Another public meeting is anticipated late this year to go over the updated project plans.

Dear Mr. Chung,

On behalf of Osceola County, we would like to thank you for attending the public meeting for the Boggy Creek Road Improvements Project on Thursday, March 4, 2021, and for submitting your question.

You asked if your property taxes will increase. This project will not require an increase in property taxes. In late 2019, Osceola County Commissioners enacted one of the largest investments for road improvements in county history by refinancing bonds originally used to build Osceola Parkway. That money, approximately \$200 million, will be used to advance the design and construction of this project, along with other key roadways in the County. The County also aggressively leverages resources available from local, state and federal transportation partners, including the Central Florida Expressway Authority, the Florida Turnpike Enterprise, the Florida Department of Transportation, and the Federal Highway Administration. State and federal grants alone currently account for nearly \$67 million in planned transportation improvements throughout the County. In 2019, the County also collected about \$35.6 million in “mobility fees” from new development that is used exclusively for transportation projects.

The County reviewed all comments and questions to develop a preferred alternative that was presented to the Osceola County Board of County Commissioners for consideration. On April 5, the Commissioners voted to advance Alternative 2 with some refinements to final design. You can view the presentation that was presented to the Board of County Commissioners by logging on to www.osceola.org/go/boggycreek and clicking on the BOCC Presentation. The project now enters the design phase. Another public meeting is anticipated late this year to go over the updated project plans.

In the meantime, please do not hesitate to contact Project Manager Conroy Jacobs at 407-742-0557 or conroy.jacobs@osceola.org with any further questions or comments.

Thank you.

Dear Ms. Condon,

On behalf of Osceola County, we would like to thank you for attending the public meeting for the Boggy Creek Road Improvements Project on Thursday, March 4, 2021, and for submitting your question.

You asked if there are any plans to connect Osceola Parkway to Boggy Creek Road where they run parallel. There are no plans at this time to connect the two roadways. Osceola Parkway is a toll facility operated by Central Florida Expressway Authority, while Boggy Creek Road is a County roadway.

The County reviewed all comments and questions to develop a preferred alternative that was presented to the Osceola County Board of County Commissioners for consideration. On April 5, the Commissioners voted to advance Alternative 2 with some refinements to final design. You can view the presentation that was presented to the Board of County Commissioners by logging on to www.osceola.org/go/boggycreek and clicking on the BOCC Presentation. Boggy Creek Road Improvements
From Simpson Road to Narcoossee Road
Osceola County
Project No.: PS-20-11479-DG

Dear Ms. Conow,

On behalf of Osceola County, we would like to thank you for attending the public meeting for the Boggy Creek Road Improvements Project on Thursday, March 4, 2021, and for submitting your questions.

You asked if the North Shore community pond will be used in any way. We have identified potential pond sites and will complete evaluation of those sites during the final design phase. The North Shore community pond is not one of the potential sites under consideration.

You also asked about why a traffic signal is not going to be added at the entrance to Spring Lake. An extensive traffic study was performed to analyze the traffic conditions between now and the design year 2045. That analysis found no need to warrant any additional traffic signals at this time. However, the traffic study did identify Spring Lake Village as a potential for a future signal, based on traffic projections. The County plans to monitor the intersection after construction is complete to determine when a new traffic signal will be warranted.

The County reviewed all comments and questions to develop a preferred alternative that was presented to the Osceola County Board of County Commissioners for consideration. On April 5, the Commissioners voted to advance Alternative 2 with some refinements to final design. You can view the presentation that was presented to the Board of County Commissioners by logging on to www.osceola.org/go/boggycreek and clicking on the BOCC Presentation. The project now enters the design phase. Another public meeting is anticipated late this year to go over the updated project plans.

In the meantime, please do not hesitate to contact Project Manager Conroy Jacobs at 407-742-0557 or conroy.jacobs@osceola.org with any further questions or comments.

Thank you.

**Subject: Public Meeting – Response to Questions/Comments
Boggy Creek Road Improvements**
From Simpson Road to Narcoossee Road
Osceola County
Project No.: PS-20-11479-DG

Dear Ms. DeVor,

On behalf of Osceola County, we would like to thank you for attending the public meeting for the Boggy Creek Road Improvements Project on Thursday, March 4, 2021, and for submitting your questions.

You asked about right-of-way acquisitions. Right-of-way needs will be determined during final design once the Osceola County Board of County Commissioners selects a preferred alternative. Right-of-way is expected to begin in late 2021 or early 2022, at which time the County will contact any affected property owners directly to begin discussions. In the meantime, for any right of way questions, please contact Osceola County Right of Way and Asset Manager Sally Myers at 407-742-0502 or email at sally.myers@osceola.org.

You also wanted to know how long this project will take. Construction, which is anticipated to begin in fall 2023, is expected to take between 24 and 30 months, which brings the final completion date of the project to late 2025.

You asked if the speed limit will be lowered and why. We are proposing to lower the speed limit to 40 or 45 miles per hour to enhance safety along the corridor. The speed limit is determined by surrounding land uses and the nature of the corridor.

Construction schedules and plans are developed during final design, including maintenance of traffic with lane closures and detours. Our intention is to develop plans that minimize any negative impacts to traffic flow, especially during peak hours. Usually during construction, we try to maintain the existing speed limit unless it becomes a safety issue and then it could be lowered.

The County reviewed all comments and questions to develop a preferred alternative that was presented to the Osceola County Board of County Commissioners for consideration. On April 5, the Commissioners voted to advance Alternative 2 with some refinements to final design. You can view the presentation that was presented to the Board of County Commissioners by logging on to www.osceola.org/go/boggycreek and clicking on the BOCC Presentation. The project now enters the design phase. Another public meeting is anticipated late this year to go over the updated project plans.

In the meantime, please do not hesitate to contact Project Manager Conroy Jacobs at 407-742-0557 or conroy.jacobs@osceola.org with any further questions or comments.

Thank you.

Dear Ms. Driggers,

On behalf of Osceola County, we would like to thank you for attending the public meeting for the Boggy Creek Road Improvements Project on Thursday, March 4, 2021, and for submitting your question.

You asked when the widening of Simpson Road from Boggy Creek Road to U.S. 192 will happen. That project is in the design phase right now. Construction is anticipated to start in the fall 2023. You can learn more about that project on our webpage at www.osceola.org/go/simpsonroad.

The County reviewed all comments and questions to develop a preferred alternative that was presented to the Osceola County Board of County Commissioners for consideration. On April 5, the Commissioners voted to advance Alternative 2 with some refinements to final design. You can view the presentation that was presented to the Board of County Commissioners by logging on to www.osceola.org/go/boggycreek and clicking on the BOCC Presentation. The project now enters the design phase. Another public meeting is anticipated late this year to go over the updated project plans.

In the meantime, please do not hesitate to contact Project Manager Conroy Jacobs at 407-742-0557 or conroy.jacobs@osceola.org with any further questions or comments.

Thank you.

Dear Mr. Fergerson,

On behalf of Osceola County, we would like to thank you for your email regarding the Boggy Creek Road Improvements Project.

Thank you for informing us of the Diocese's concerns. The County looks forward to coordinating the intersection improvements to Narcoossee Road at the intersection with Boggy Creek Road with the Diocese' design team as our project and your permitting process moves forward in Osceola County. The County would like to discuss a joint stormwater management facility that avoids impacts to your development goals on the property, while also accommodating a portion or all of the County stormwater needs for the Boggy Creek Road Project.

The County reviewed all comments and questions to develop a preferred alternative that was presented to the Osceola County Board of County Commissioners for consideration. On April 5, the Commissioners voted to advance Alternative 2 with some refinements to final design. You can view the presentation that was presented to the Board of County Commissioners by logging on to www.osceola.org/go/boggycreek and clicking on the BOCC Presentation. The project now enters the design phase. Another public meeting is anticipated late this year to go over the updated project plans.

In the meantime, please do not hesitate to contact Project Manager Conroy Jacobs at 407-742-0557 or conroy.jacobs@osceola.org with any further questions or comments.

Thank you.

Boggy Creek Road Improvements
From Simpson Road to Narcoossee Road
Osceola County
Project No.: PS-20-11479-DG

Dear Ms. Garcia,

On behalf of Osceola County, we would like to thank you for your email regarding the Boggy Creek Road Improvements Project.

You commented about adding a traffic signal at Spring Lake Village. An extensive traffic study was performed to analyze the traffic conditions between now and the design year 2045. That analysis found no need to warrant any additional traffic signals. Spring Lake Village was, however, identified as part of the traffic study as a potential for a future signal, based on traffic projections. The County plans to monitor the intersection after construction is complete to determine when a new traffic signal will be warranted.

The County reviewed all comments and questions to develop a preferred alternative that was presented to the Osceola County Board of County Commissioners for consideration. On April 5, the Commissioners voted to advance Alternative 2 with some refinements to final design. You can view the presentation that was presented to the Board of County Commissioners by logging on to www.osceola.org/go/boggycreek and clicking on the BOCC Presentation. The project now enters the design phase. Another public meeting is anticipated late this year to go over the updated project plans.

In the meantime, please do not hesitate to contact Project Manager Conroy Jacobs at 407-742-0557 or conroy.jacobs@osceola.org with any further questions or comments.

Thank you.

Boggy Creek Road Improvements**
From Simpson Road to Narcoossee Road
Osceola County
Project No.: PS-20-11479-DG

Dear Mr. Hafler,

On behalf of Osceola County, we would like to thank you for attending the public meeting for the Boggy Creek Road Improvements Project on Thursday, March 4, 2021, and for submitting your questions. You asked if there were any plans to add traffic lights. An extensive traffic study was performed to analyze the traffic conditions between now and the design year 2045. That analysis found no need to warrant any additional traffic signals. There will be enhancements made at the existing four signalized intersections along the corridor.

You also wanted to know if the problems at the entrance to Camptown would be addressed, and whether there are new commercial or retail areas planned along the corridor.

The proposed improvements in this project will enhance safety and operations along the corridor by relieving congestion, providing left turn lanes, and controlling the number of places where vehicles will be able to turn left onto Boggy Creek Road from side streets or driveways. The median openings and location of turn lanes will be determined during final design. As for any new commercial or retail areas, there are no planned developments in the vicinity of Camptown that have been submitted to the County at this time.

The County reviewed all comments and questions to develop a preferred alternative that was presented to the Osceola County Board of County Commissioners for consideration. On April 5, the Commissioners voted to advance Alternative 2 with some refinements to final design. You can view the presentation that was presented to the Board of County Commissioners by logging on to www.osceola.org/go/boggycreek and clicking on the BOCC Presentation. The project now enters the design phase. Another public meeting is anticipated late this year to go over the updated project plans.

In the meantime, please do not hesitate to contact Project Manager Conroy Jacobs at 407-742-0557 or conroy.jacobs@osceola.org with any further questions or comments.

Thank you.

Dear Mr. Hance,

On behalf of Osceola County, we would like to thank you for attending the public meeting for the Boggy Creek Road Improvements Project on Thursday, March 4, 2021, and for submitting your questions and comments.

You asked what time construction would be happening. This project is expected to take place both day and night. The exact hours will be determined during the design phase. The maintenance of traffic will also be determined at that time. We will make sure any construction-related delays are minimal, and traffic is maintained to the best of our ability throughout the construction period.

You also asked about any other meetings. There will be another public meeting during the design phase, likely late 2021 or early 2022. The design completion is anticipated to be in summer 2022.

The County reviewed all comments and questions to develop a preferred alternative that was presented to the Osceola County Board of County Commissioners for consideration. On April 5, the Commissioners voted to advance Alternative 2 with some refinements to final design. You can view the presentation that was presented to the Board of County Commissioners by logging on to www.osceola.org/go/boggycreek and clicking on the BOCC Presentation. The project now enters the design phase. Another public meeting is anticipated late this year to go over the updated project plans.

In the meantime, please do not hesitate to contact Project Manager Conroy Jacobs at 407-742-0557 or conroy.jacobs@osceola.org with any further questions or comments.

Thank you.

Dear Ms. Hulme,

On behalf of Osceola County, we would like to thank you for attending the public meeting for the Boggy Creek Road Improvements Project on Thursday, March 4, 2021, and for submitting your question.

You asked about the status of a traffic signal at the intersection of Ward Road and Simpson Road. That intersection is not within the project limits for this project. Work under this project is on Boggy Creek Road from Simpson Road to Narcoossee Road. However, a traffic signal is being designed and will be constructed with the Simpson Road, Phase 1 project. The project is under design and is scheduled for construction to begin in late 2021. For more information on that project, go to www.osceola.org/go/simpsonroad.

The County reviewed all comments and questions to develop a preferred alternative that was presented to the Osceola County Board of County Commissioners for consideration. On April 5, the Commissioners voted to advance Alternative 2 with some refinements to final design. You can view the presentation that was presented to the Board of County Commissioners by logging on to www.osceola.org/go/boggycreek and clicking on the BOCC Presentation. The project now enters the design phase. Another public meeting is anticipated late this year to go over the updated project plans.

In the meantime, please do not hesitate to contact Project Manager Conroy Jacobs at 407-742-0557 or conroy.jacobs@osceola.org with any further questions or comments.

Thank you.

Dear Mr. Pena,

On behalf of Osceola County, we would like to thank you for attending the public meeting for the Boggy Creek Road Improvements Project on Thursday, March 4, 2021, and for submitting your questions and comments.

You had a few questions, including the safety of the roadway, particularly at the bend between Lake Vista and East Lake Road. The goal of this project is to enhance safety and operations along the roadway. As part of the design, we will look at curves in the roadway and make modifications to ensure the roadway meets current engineering standards for safety.

You asked about decreasing the use of air brakes. The use of engine braking by trucks can be evaluated during design; however, there are no apparent written County or State laws on this matter. Additionally, air brakes are considered a safer option for large trucks.

The meeting presentation, as well as other meeting materials, is available on the project website at www.osceola.org/go/boggycreek.

The County reviewed all comments and questions to develop a preferred alternative that was presented to the Osceola County Board of County Commissioners for consideration. On April 5, the Commissioners voted to advance Alternative 2 with some refinements to final design. You can view the presentation that was presented to the Board of County Commissioners by logging on to www.osceola.org/go/boggycreek and clicking on the BOCC Presentation. The project now enters the design phase. Another public meeting is anticipated late this year to go over the updated project plans.

In the meantime, please do not hesitate to contact Project Manager Conroy Jacobs at 407-742-0557 or conroy.jacobs@osceola.org with any further questions or comments.

Thank you.

Project No.: PS-20-11479-DG

Dear Mr. and Mrs. Jaworski,

On behalf of Osceola County, we would like to thank you for attending the public meeting for the Boggy Creek Road Improvements Project on Thursday, March 4, 2021, and for submitting your questions and comments.

We appreciate your support of Alternative 1. You also had a few questions, including whether truck traffic would be restricted on Boggy Creek Road and whether the project includes replacing trees that are removed to accommodate construction.

Boggy Creek Road is a public road that will be constructed to safely accommodate all vehicle types. It is not feasible for the County to try to limit any one type of vehicle, such as trucks.

As for trees, we do anticipate landscaping along the corridor as part of this project. Some of the options we showed provide enough room between the roadway and the sidewalk or the multi-use trail to provide trees. Those details would be determined during the final design phase.

You also inquired about sound walls. A noise study was not performed as part of this project as the proposed improvements are not expected to increase noise levels enough to warrant construction of noise walls.

You also mentioned issues you experienced with contractors when the intersection at Boggy Creek Road and Timber Lane was widened as part of the construction for the Creekside at Boggy Creek subdivision. Osceola County expects its contractors to respect private property and be cognizant of resident impacts. We will make sure residents have a way to contact us during construction if problems arise so that we can address them.

You also said you believe your land may be impacted. Right-of-way needs will be determined during the final design phase. Once those needs are known, the County will contact any affected property owners directly to begin discussions. In the meantime, for any right of way questions, please contact Osceola County Right of Way and Asset Manager Sally Myers at 407-742-0502 or email at sally.myers@osceola.org.

The County reviewed all comments and questions to develop a preferred alternative that was presented to the Osceola County Board of County Commissioners for consideration. On April 5, the Commissioners voted to advance Alternative 2 with some refinements to final design. You can view the presentation that was presented to the Board of County Commissioners by logging on to www.osceola.org/go/boggycreek and clicking on the BOCC Presentation. The project now enters the design phase. Another public meeting is anticipated late this year to go over the updated project plans.

In the meantime, please do not hesitate to contact Project Manager Conroy Jacobs at 407-742-0557 or conroy.jacobs@osceola.org with any further questions or comments.

Dear Mr. Johns,

On behalf of Osceola County, we would like to thank you for attending the public meeting for the Boggy Creek Road Improvements Project on Thursday, March 4, 2021, and for submitting your comments.

We appreciate your feedback on Alternative 3. We are working with a schedule that is as aggressive as possible to begin the work. Our goal is to complete the design and begin construction in fall 2023. The schedule for construction activities will be refined during the design phase, including times of day for work to occur.

As far as future development limits, we will share your concerns with the Board of County Commissioners.

The County reviewed all comments and questions to develop a preferred alternative that was presented to the Osceola County Board of County Commissioners for consideration. On April 5, the Commissioners voted to advance Alternative 2 with some refinements to final design. You can view the presentation that was presented to the Board of County Commissioners by logging on to www.osceola.org/go/boggycreek and clicking on the BOCC Presentation. Osceola County
Project No.: PS-20-11479-DG

Dear Mr. Kearney,

On behalf of Osceola County, we would like to thank you for your email regarding the Boggy Creek Road Improvements Project.

You expressed concern about the possibility of closing the full median opening west of the Narcoossee Road intersection, which is used to access WaWa. The initial proposals do call for closing that median opening to accommodate lengthening the left turn lanes to Narcoossee Road. However, we will be reviewing the median openings in more detail during the final design phase. In the meantime, we will have a member of the project team reach out to you to discuss this topic more in detail.

The County reviewed all comments and questions to develop a preferred alternative that was presented to the Osceola County Board of County Commissioners for consideration. On April 5, the Commissioners voted to advance Alternative 2 with some refinements to final design. You can view the presentation that was presented to the Board of County Commissioners by logging on to www.osceola.org/go/boggycreek and clicking on the BOCC Presentation. The project now enters the design phase. Another public meeting is anticipated late this year to go over the updated project plans.

In the meantime, please do not hesitate to contact Project Manager Conroy Jacobs at 407-742-0557 or conroy.jacobs@osceola.org with any further questions or comments.

Thank you.

Boggy Creek Road Improvements**
From Simpson Road to Narcoossee Road
Osceola County
Project No.: PS-20-11479-DG

Dear Mr. LoFaso,

On behalf of Osceola County, we would like to thank you for attending the public meeting for the Boggy Creek Road Improvements Project on Thursday, March 4, 2021, and for submitting your questions and comments.

You asked whether the traffic signal at the intersection of Boggy Creek Road and Narcoossee Road will be reconstructed. We are proposing to reconstruct and upgrade that signal. We will be providing more approach lanes by extending the four-lane approach on Boggy Creek Road to the Narcoossee Road intersection, which means signal enhancements will be needed to accommodate the additional lanes.

You also asked what the biggest factor is in determining which of the three options will be chosen for design. There are several factors that go into choosing the alternative. During the alternatives study phase, several potential alignments are explored. Those that were not feasible or were undesirable were discarded, leaving the three alternatives presented at the meeting. We put together an evaluation matrix like you saw in the presentation to see what the impacts are for all the alternatives. We also will weigh public comments and make refinements to the alternatives. A preferred alternative is then presented to the Board of County Commissioners for consideration. The board will vote on whether to advance that preferred alternative to design.

Lastly, you wanted to know if this project is a collaborative effort between Osceola and Orange counties. While we have shared project information and are coordinating with Orange County and other partners, this project is being developed by Osceola County. Similarly, Orange County is sharing information with us regarding proposed improvements on the section of Boggy Creek Road within Orange County. We have been told Orange County expects to begin construction on that project in summer 2021.

The County reviewed all comments and questions to develop a preferred alternative that was presented to the Osceola County Board of County Commissioners for consideration. On April 5, the Commissioners voted to advance Alternative 2 with some refinements to final design. You can view the presentation that was presented to the Board of County Commissioners by logging on to www.osceola.org/go/boggycreek and clicking on the BOCC Presentation. The project now enters the design phase. Another public meeting is anticipated late this year to go over the updated project plans.

In the meantime, please do not hesitate to contact Project Manager Conroy Jacobs at 407-742-0557 or conroy.jacobs@osceola.org with any further questions or comments.

Thank you.

Boggy Creek Road Improvements**
From Simpson Road to Narcoossee Road
Osceola County
Project No.: PS-20-11479-DG

Dear Mr. Louie,

On behalf of Osceola County, we would like to thank you for attending the public meeting for the Boggy Creek Road Improvements Project on Thursday, March 4, 2021, and for submitting your question.

You asked if there are any plans to build a fire station on Boggy Creek Road. Osceola County Fire Rescue is planning to build a new Austin Tindall Fire Station. The project team will coordinate with Fire Rescue throughout the project to ensure appropriate accommodations.

The County reviewed all comments and questions to develop a preferred alternative that was presented to the Osceola County Board of County Commissioners for consideration. On April 5, the Commissioners voted to advance Alternative 2 with some refinements to final design. You can view the presentation that was presented to the Board of County Commissioners by logging on to www.osceola.org/go/boggycreek and clicking on the BOCC Presentation. The project now enters the design phase. Another public meeting is anticipated late this year to go over the updated project plans.

In the meantime, please do not hesitate to contact Project Manager Conroy Jacobs at 407-742-0557 or conroy.jacobs@osceola.org with any further questions or comments.

Thank you.

Boggy Creek Road Improvements
From Simpson Road to Narcoossee Road
Osceola County
Project No.: PS-20-11479-DG

Dear Ms. Meyers,

On behalf of Osceola County, we would like to thank you for attending the public meeting for the Boggy Creek Road Improvements Project on Thursday, March 4, 2021, and for submitting your question.

You wanted to know whether the project would replace any community walls that might be impacted by the roadway widening. We do not anticipate that the roadway improvements will have any impacts on any of the existing subdivision walls.

Final right-of-way needs will be determined during final design. We expect the right-of-way phase to begin in late 2021 or early 2022. At that time, the County will contact any affected property owners directly to begin discussions. In the meantime, for any right of way questions, please contact Osceola County Right of Way and Asset Manager Sally Myers at 407-742-0502 or email at sally.myers@osceola.org.

The County reviewed all comments and questions to develop a preferred alternative that was presented to the Osceola County Board of County Commissioners for consideration. On April 5, the Commissioners voted to advance Alternative 2 with some refinements to final design. You can view the presentation that was presented to the Board of County Commissioners by logging on to www.osceola.org/go/boggycreek and clicking on the BOCC Presentation. The project now enters the design phase. Another public meeting is anticipated late this year to go over the updated project plans.

In the meantime, please do not hesitate to contact Project Manager Conroy Jacobs at 407-742-0557 or conroy.jacobs@osceola.org with any further questions or comments.

Thank you.

Boggy Creek Road Improvements**
From Simpson Road to Narcoossee Road
Osceola County
Project No.: PS-20-11479-DG

Dear Ms. Overton,

On behalf of Osceola County, we would like to thank you for attending the public meeting for the Boggy Creek Road Improvements Project on Thursday, March 4, 2021, and for sharing your questions with us.

You asked about traffic control during construction. During the upcoming design phase, a detailed traffic plan will be developed that outlines the construction phases. In general, every effort is made to maintain traffic flow on the roadway during construction. For a project like this, a typical plan might include widening the existing roadway with temporary pavement, then shifting the traffic off to one side while the two new lanes are constructed on the other side. When those two new lanes are complete, traffic would then be shifted over to the new lanes while crews finish constructing the final two lanes and the center median. Our engineers will look at this during design to see if that is the best method to use for this project to help maintain traffic and minimize added congestion and delays as much as possible. If any detours are needed, they will also be determined during the design phase.

You asked if there were any plans to add traffic lights. An extensive traffic study was performed to analyze the traffic conditions between now and the design year 2045. That analysis did not warrant any additional traffic signals. There will be enhancements made at the existing four signalized intersections along the corridor.

You also asked if roadway lighting is planned to enhance safety. Street lighting will be part of this project.

Lastly, you asked if the Tavistock development will be complete by the time construction on this project begins. The Tavistock entrance from Boggy Creek Road is expected to be constructed before this project begins. The County will continue to coordinate with the developer.

The County reviewed all comments and questions to develop a preferred alternative that was presented to the Osceola County Board of County Commissioners for consideration. On April 5, the Commissioners voted to advance Alternative 2 with some refinements to final design. You can view the presentation that was presented to the Board of County Commissioners by logging on to www.osceola.org/go/boggycreek and clicking on the BOCC Presentation. The project now enters the design phase. Another public meeting is anticipated late this year to go over the updated project plans.

In the meantime, please do not hesitate to contact Project Manager Conroy Jacobs at 407-742-0557 or conroy.jacobs@osceola.org with any further questions or comments.

Thank you.

Boggy Creek Road Improvements**
From Simpson Road to Narcoossee Road
Osceola County
Project No.: PS-20-11479-DG

Dear Mr. Perez,

On behalf of Osceola County, we would like to thank you for attending the public meeting for the Boggy Creek Road Improvements Project on Thursday, March 4, 2021, and for submitting your questions and comments.

You asked about what will happen to Boggy Creek Road between Simpson Road and S.R. 417. The planned improvements for that stretch of Boggy Creek Road are being completed by Orange County. We have been told that project is expected to begin construction in summer 2021. Information on that project can be found on the Orange County website at www.orangefl.net/traffictransportation/transportation.

You can also reach out to Orange County's Senior Engineer, Roberto Ng, to get more details on that project. His phone number is 407-836-8067 and his email is Roberto.ng@ocfl.net.

You wanted to know if the County has a preference among the alternatives. The County has not selected a preferred alternative. County staff is evaluating all three alternatives and reviewing public comments. The next step is to refine the alternatives and present a preferred alternative to the Board of County Commissioners for consideration. The Board will then vote to authorize advancement of the alternative to design.

You asked about the impact on travel times during construction. The maintenance of traffic during construction will be determined in the design phase. The project team will develop a construction plan and traffic control plans that minimize impacts as much as possible and maintain traffic flow along the corridor.

Lastly, you wanted to know if there are any big projects that would impact this project. The project accounts for all planned development along the corridor. While some new development is expected, it will not impact this project.

The County reviewed all comments and questions to develop a preferred alternative that was presented to the Osceola County Board of County Commissioners for consideration. On April 5, the Commissioners voted to advance Alternative 2 with some refinements to final design. You can view the presentation that was presented to the Board of County Commissioners by logging on to www.osceola.org/go/boggycreek and clicking on the BOCC Presentation. The project now enters the design phase. Another public meeting is anticipated late this year to go over the updated project plans.

Osceola County
Project No.: PS-20-11479-DG

Dear Mr. and Mrs. Sievers,

On behalf of Osceola County, we would like to thank you for attending the public meeting for the Boggy Creek Road Improvements Project on Thursday, March 4, 2021, and for submitting your questions and comments.

You asked about the addition of new traffic signals on Boggy Creek Road. An extensive traffic study was performed to analyze the traffic conditions between now and the design year of 2045. That analysis found no need to add traffic signals at this time. There will be enhancements made at the existing four signalized intersections along the corridor.

Also, you asked if the outlet from Great Oaks Boulevard will allow both a left and right turn onto Boggy Creek Road. At this point, we are proposing a full median opening at Great Oaks Boulevard, which would allow both left and right turns. Median openings will be further examined and determined during the final design phase once a preferred alternative is chosen.

While the County cannot restrict traffic on any public roadway, we can evaluate whether signage or other measures may be appropriate during construction to maintain safety on all roadways. The project is expected to be constructed in phases, with traffic flow maintained on Boggy Creek Road, especially during peak hours.

The County reviewed all comments and questions to develop a preferred alternative that was presented to the Osceola County Board of County Commissioners for consideration. On April 5, the Commissioners voted to advance Alternative 2 with some refinements to final design. You can view the presentation that was presented to the Board of County Commissioners by logging on to www.osceola.org/go/boggycreek and clicking on the BOCC Presentation. The project now enters the design phase. Another public meeting is anticipated late this year to go over the updated project plans.

In the meantime, please do not hesitate to contact Project Manager Conroy Jacobs at 407-742-0557 or conroy.jacobs@osceola.org with any further questions or comments.

Thank you.

Subject: Public Meeting – Response to Questions/Comments
Boggy Creek Road Improvements
From Simpson Road to Narcoossee Road
Osceola County
Project No.: PS-20-11479-DG

Dear Ms. Simons,

On behalf of Osceola County, we would like to thank you for your email regarding the Boggy Creek Road Improvements Project.

You have concerns about U-turns and getting out of neighborhoods. The proposed roadway widening to accommodate four travel lanes and a center median will help to improve traffic flow, which will create more spaces in traffic. Additionally, the project proposes to upgrade the traffic signals and timing to help promote an efficient flow through the corridor.

Extensive analysis was done to find the best way to accommodate future traffic demands. The widening of Boggy Creek Road, along with other accommodations for pedestrians and bicyclists, will enhance safety and improve traffic flow for all the traffic expected to use this roadway.

Your other comment was about a noise wall at the Rustic Acres neighborhoods. The proposed improvements in this project are not expected to increase noise to a level that would warrant construction of noise walls. As a result, noise walls are not included in the project.

The County reviewed all comments and questions to develop a preferred alternative that was presented to the Osceola County Board of County Commissioners for consideration. On April 5, the Commissioners voted to advance Alternative 2 with some refinements to final design. You can view the presentation that was presented to the Board of County Commissioners by logging on to www.osceola.org/go/boggycreek and clicking on the BOCC Presentation. The project now enters the design phase. Another public meeting is anticipated late this year to go over the updated project plans.

In the meantime, please do not hesitate to contact Project Manager Conroy Jacobs at 407-742-0557 or conroy.jacobs@osceola.org with any further questions or comments.

Thank you.

Osceola County
Project No.: PS-20-11479-DG

Dear Ms. Sims,

On behalf of Osceola County, we would like to thank you for your email regarding the Boggy Creek Road Improvements Project.

The proposed improvements have been developed to improve operations and safety along the corridor, while minimizing the need to purchase substantial right-of-way from adjacent property owners. The traffic analysis shows that a four-lane roadway with turn lanes will significantly reduce congestion, accommodating projected traffic flows into the year 2045.

The County reviewed all comments and questions to develop a preferred alternative that was presented to the Osceola County Board of County Commissioners for consideration. On April 5, the Commissioners voted to advance Alternative 2 with some refinements to final design. You can view the presentation that was presented to the Board of County Commissioners by logging on to www.osceola.org/go/boggycreek and clicking on the BOCC Presentation. The project now enters the design phase. Another public meeting is anticipated late this year to go over the updated project plans.

In the meantime, please do not hesitate to contact Project Manager Conroy Jacobs at 407-742-0557 or conroy.jacobs@osceola.org with any further questions or comments.

Thank you.

**Subject: Public Meeting – Response to Questions/Comments
Boggy Creek Road Improvements**
From Simpson Road to Narcoossee Road
Osceola County
Project No.: PS-20-11479-DG

Dear Mr. Suarez,

On behalf of Osceola County, we would like to thank you for attending the public meeting for the Boggy Creek Road Improvements Project on Thursday, March 4, 2021, and for submitting your questions and comments.

You asked if the County considered constructing a roundabout at the intersection of Boggy Creek Road and Simpson Road. Roundabouts were not considered as part of this project. The Simpson Road intersection was improved to its ultimate configuration a few years ago as part of Orange County's improvements to Simpson Road and Boggy Creek Road. Also, roundabouts typically require more right-of-way than currently exists at that intersection, and right-of-way acquisition would have a significant impact to the adjacent businesses.

You also asked if turn lanes will be added along with the four lanes, specifically at the schools. This project is still in the alternatives phase. Turn lanes will be determined during the design phase; however, we are proposing both left and right turn lanes into most of the school entrances to facilitate traffic. Creating four lanes of the roadway will also help with the traffic flow through the school zones and school areas.

You also wanted to know how to add a school crossing guard at the intersection of Holiday Woods Drive and Boggy Creek Road. Crossing guard locations are determined by the School District of Osceola County and school crossing guards are contracted out by the Osceola County Sheriff's Office. You can contact Deputy Paul Spears at Pspe@osceola.org with your request and he can direct your inquiries to the appropriate place.

Lastly, you asked if a traffic signal is being considered at Spring Lake Village. Currently, there are no plans for a traffic signal at Spring Lake Village. The traffic study did identify the intersection as a potential location for a future signal based on traffic projections. The County plans to monitor the intersection after construction is completed to determine if a new traffic signal will be warranted.

The County reviewed all comments and questions to develop a preferred alternative that was presented to the Osceola County Board of County Commissioners for consideration. On April 5, the Commissioners voted to advance Alternative 2 with some refinements to final design. You can view the presentation that was presented to the Board of County Commissioners by logging on to www.osceola.org/go/boggycreek and clicking on the BOCC Presentation. The project now enters the design phase. Another public meeting is anticipated late this year to go over the updated project plans.

In the meantime, please do not hesitate to contact Project Manager Conroy Jacobs at 407-742-0557 or conroy.jacobs@osceola.org with any further questions or comments.

Dear Mr. Thompson,

On behalf of Osceola County, we would like to thank you for attending the public meeting for the Boggy Creek Road Improvements Project on Thursday, March 4, 2021, and for submitting your question.

You asked if the Simpson Road project will be completed before the expansion of Boggy Creek Road. Phase I of the Simpson Road improvements from Boggy Creek Road to Myers Road is expected to begin in late 2021. Improvements on Simpson Road south of Myers Road are currently expected to begin in summer or fall 2023, so work may be occurring on the two roadways at the same time. However, project teams will coordinate to minimize negative traffic impacts.

The County reviewed all comments and questions to develop a preferred alternative that was presented to the Osceola County Board of County Commissioners for consideration. On April 5, the Commissioners voted to advance Alternative 2 with some refinements to final design. You can view the presentation that was presented to the Board of County Commissioners by logging on to www.osceola.org/go/boggycreek and clicking on the BOCC Presentation. The project now enters the design phase. Another public meeting is anticipated late this year to go over the updated project plans.

In the meantime, please do not hesitate to contact Project Manager Conroy Jacobs at 407-742-0557 or conroy.jacobs@osceola.org with any further questions or comments.

Thank you.

Dear Mr. Timmerman,

On behalf of Osceola County, we would like to thank you for attending the public meeting for the Boggy Creek Road Improvements Project on Thursday, March 4, 2021, and for submitting your question.

You asked if there is a significant cost difference between the alternatives. The alternatives are fairly similar when it comes to cost. All range from \$67 million to \$73 million, including estimated right-of-way costs, environmental costs and construction costs.

You may view the evaluation matrix, which includes cost estimates, by going to the project website at www.osceola.org/go/boggycreek.

The County reviewed all comments and questions to develop a preferred alternative that was presented to the Osceola County Board of County Commissioners for consideration. On April 5, the Commissioners voted to advance Alternative 2 with some refinements to final design. You can view the presentation that was presented to the Board of County Commissioners by logging on to www.osceola.org/go/boggycreek and clicking on the BOCC Presentation. The project now enters the design phase. Another public meeting is anticipated late this year to go over the updated project plans.

In the meantime, please do not hesitate to contact Project Manager Conroy Jacobs at 407-742-0557 or conroy.jacobs@osceola.org with any further questions or comments.

Thank you.

Boggy Creek Road Improvements**
From Simpson Road to Narcoossee Road
Osceola County
Project No.: PS-20-11479-DG

Dear Mr. Tivin,

On behalf of Osceola County, we would like to thank you for attending the public meeting for the Boggy Creek Road Improvements Project on Thursday, March 4, 2021, and for submitting your question.

You asked if there will be money for noise walls. The planned improvements on Boggy Creek Road are not anticipated to increase noise levels enough to warrant construction of noise walls. As a result, there are no plans to construct noise walls as part of this project.

The County reviewed all comments and questions to develop a preferred alternative that was presented to the Osceola County Board of County Commissioners for consideration. On April 5, the Commissioners voted to advance Alternative 2 with some refinements to final design. You can view the presentation that was presented to the Board of County Commissioners by logging on to www.osceola.org/go/boggycreek and clicking on the BOCC Presentation. The project now enters the design phase. Another public meeting is anticipated late this year to go over the updated project plans.

In the meantime, please do not hesitate to contact Project Manager Conroy Jacobs at 407-742-0557 or conroy.jacobs@osceola.org with any further questions or comments.

Subject: Public Meeting – Response to Questions/Comments
Boggy Creek Road Improvements
From Simpson Road to Narcoossee Road
Osceola County
Project No.: PS-20-11479-DG

Dear Mr. Valerio,

On behalf of Osceola County, we would like to thank you for attending the public meeting for the Boggy Creek Road Improvements Project on Thursday, March 4, 2021, and submitting your questions.

You asked if the expansion of Boggy Creek Road and Simpson Road will occur simultaneously. The projects are on a similar path at this point as far as construction schedules. If that occurs, then the maintenance of traffic plans for each project will incorporate any provisions necessary to accommodate the traffic from each project to ensure minimal impacts to traffic during the construction phase.

You also asked whether street lights are included in the project. Street lighting will be included in this project.

The County reviewed all comments and questions to develop a preferred alternative that was presented to the Osceola County Board of County Commissioners for consideration. On April 5, the Commissioners voted to advance Alternative 2 with some refinements to final design. You can view the presentation that was presented to the Board of County Commissioners by logging on to www.osceola.org/go/boggycreek and clicking on the BOCC Presentation. The project now enters the design phase. Another public meeting is anticipated late this year to go over the updated project plans.

In the meantime, please do not hesitate to contact Project Manager Conroy Jacobs at 407-742-0557 or conroy.jacobs@osceola.org with any further questions or comments.

Thank you.

Dear Ms. Wilson,

On behalf of Osceola County, we would like to thank you for attending the public meeting for the Boggy Creek Road Improvements Project on Thursday, March 4, 2021, and for submitting your comments.

We appreciate your feedback about Alternative 2. The County reviewed all comments and questions to develop a preferred alternative that was presented to the Osceola County Board of County Commissioners for consideration. On April 5, the Commissioners voted to advance Alternative 2 with some refinements to final design. You can view the presentation that was presented to the Board of County Commissioners by logging on to www.osceola.org/go/boggycreek and clicking on the BOCC Presentation. Dear Mr. Yohannan,

On behalf of Osceola County, we would like to thank you for attending the public meeting for the Boggy Creek Road Improvements Project on Thursday, March 4, 2021, and for submitting your question.

You wanted to know how Boggy Creek Road and the proposed Osceola Parkway Extension would interact. The Osceola Parkway Extension is in no way associated with this project. It is being developed by the Central Florida Expressway Authority. For more information on that project, log on to www.CFXway.com. Also, the proposed Osceola Parkway Extension is a limited access tolled roadway. Boggy Creek is a non-tolled roadway owned by Osceola County.

The County reviewed all comments and questions to develop a preferred alternative that was presented to the Osceola County Board of County Commissioners for consideration. On April 5, the Commissioners voted to advance Alternative 2 with some refinements to final design. You can view the presentation that was presented to the Board of County Commissioners by logging on to www.osceola.org/go/boggycreek and clicking on the BOCC Presentation. The project now enters the design phase. Another public meeting is anticipated late this year to go over the updated project plans.

In the meantime, please do not hesitate to contact Project Manager Conroy Jacobs at 407-742-0557 or conroy.jacobs@osceola.org with any further questions or comments.

Thank you.

APPENDIX G

Boggy Creek Road Improvements Alternatives Study

Simpson Road (C.R. 530)
to Narcoossee Road

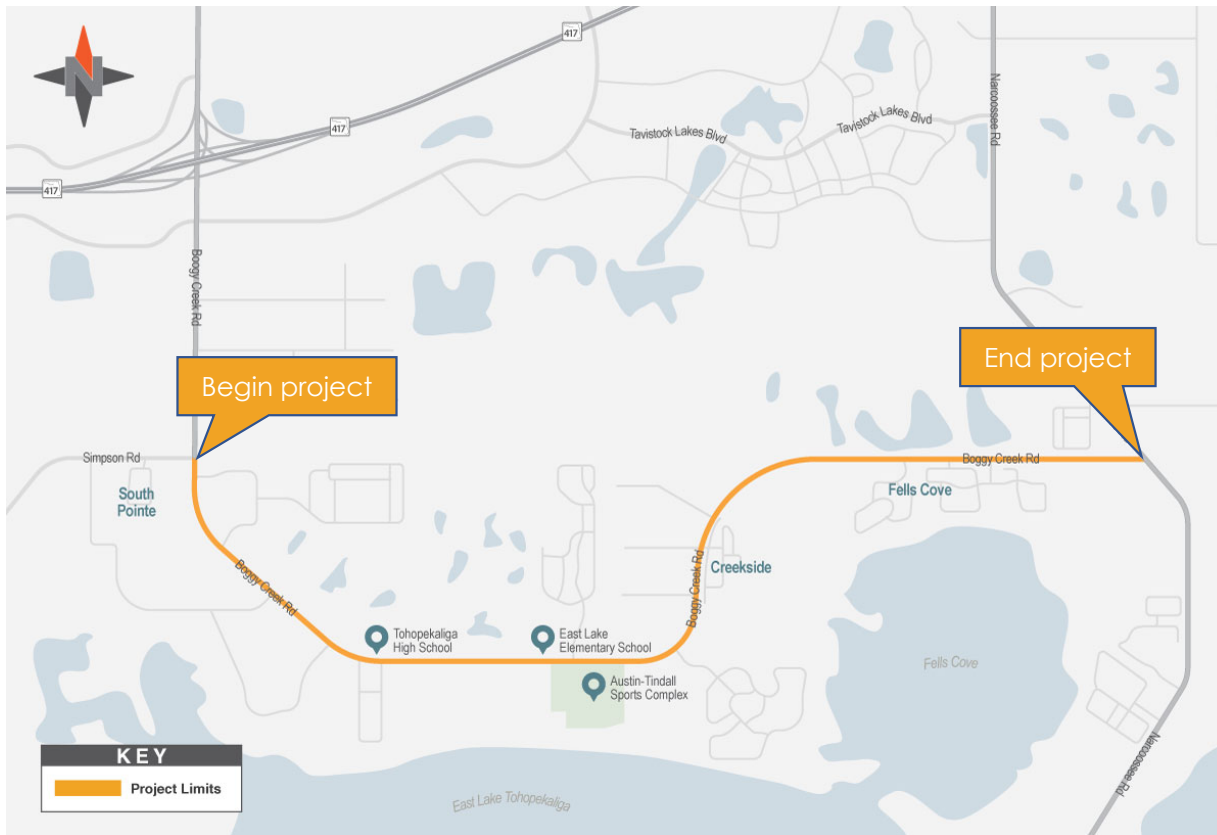

Board of County Commissioners Meeting
April 5, 2021

Presentation Contents

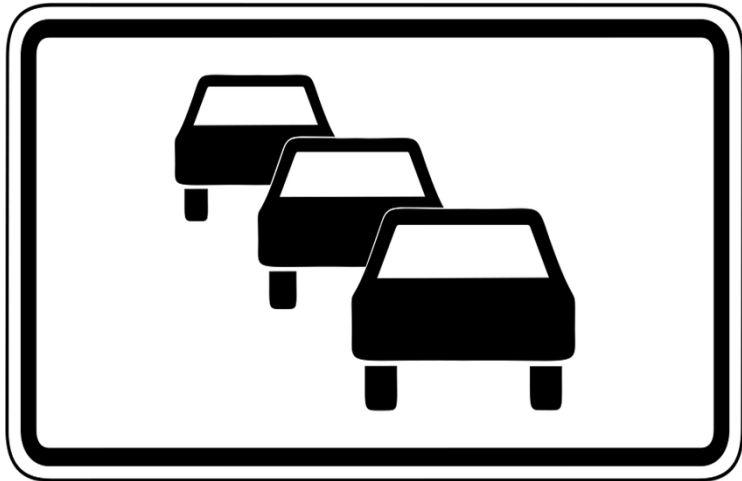

- Project overview, purpose and need
- Current traffic and future demands
- Public involvement activities
- Proposed typical section alternatives
- Recommended alternative
- Benefits of recommended alternative
- Project schedule and estimated costs

Project Location

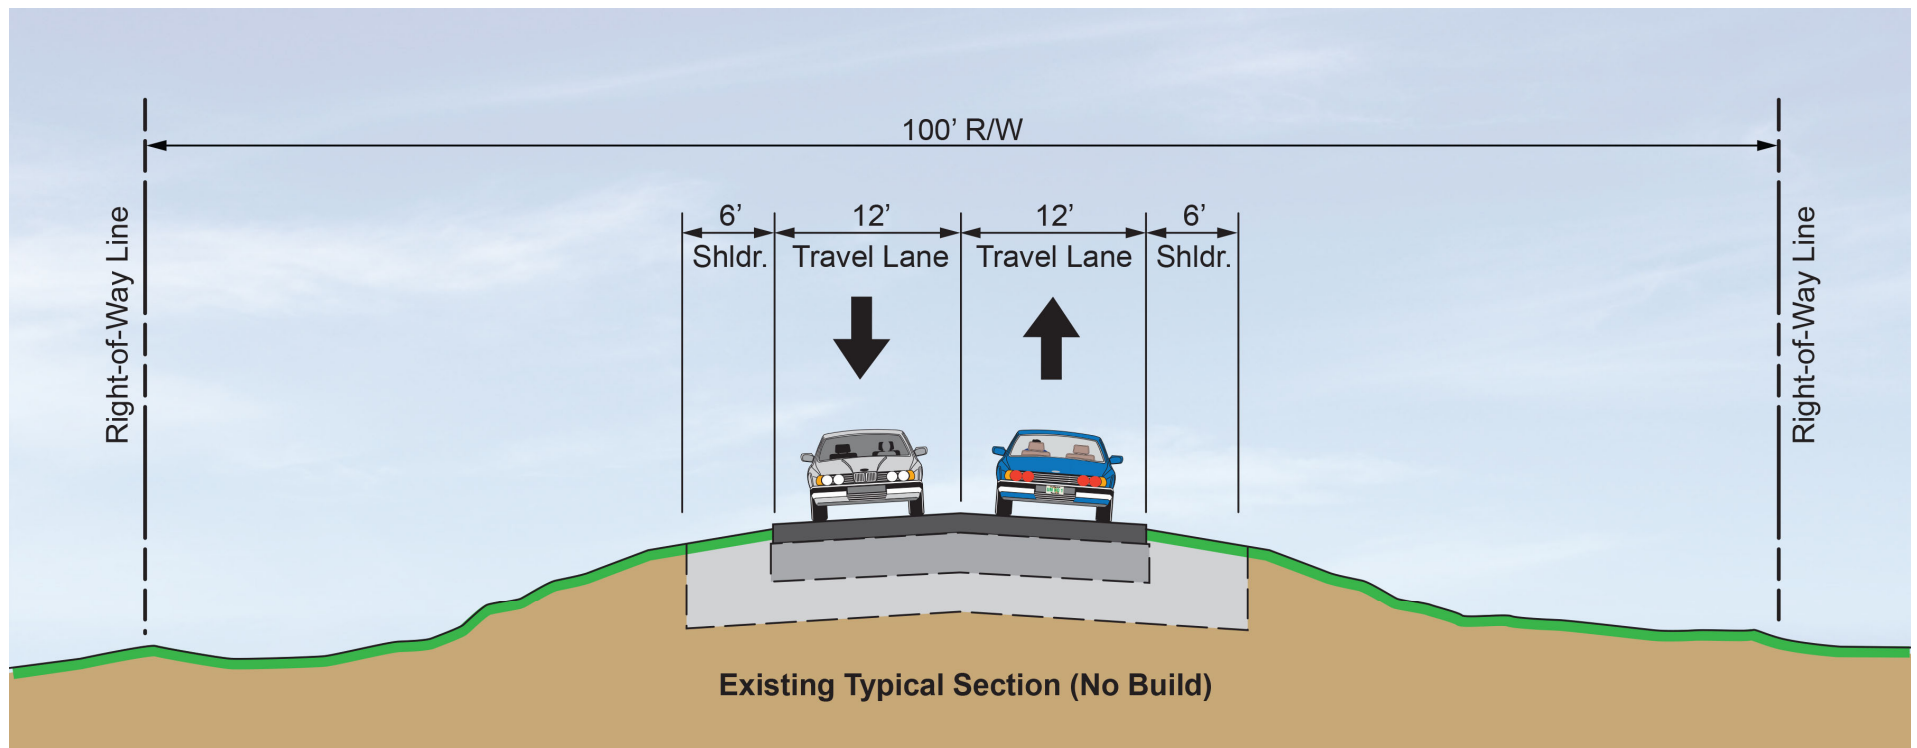

- Boggy Creek Road from Simpson Road to Narcoossee Road
- South of S.R. 417
- 5.9 miles

Project Purpose & Need

- Address congestion
- Improve traffic operations and safety
- Provide additional options for pedestrians and bicyclists
- Improve drainage
- Identify access management opportunities
- Minimize impacts to the environment and adjacent properties

Existing Typical Section

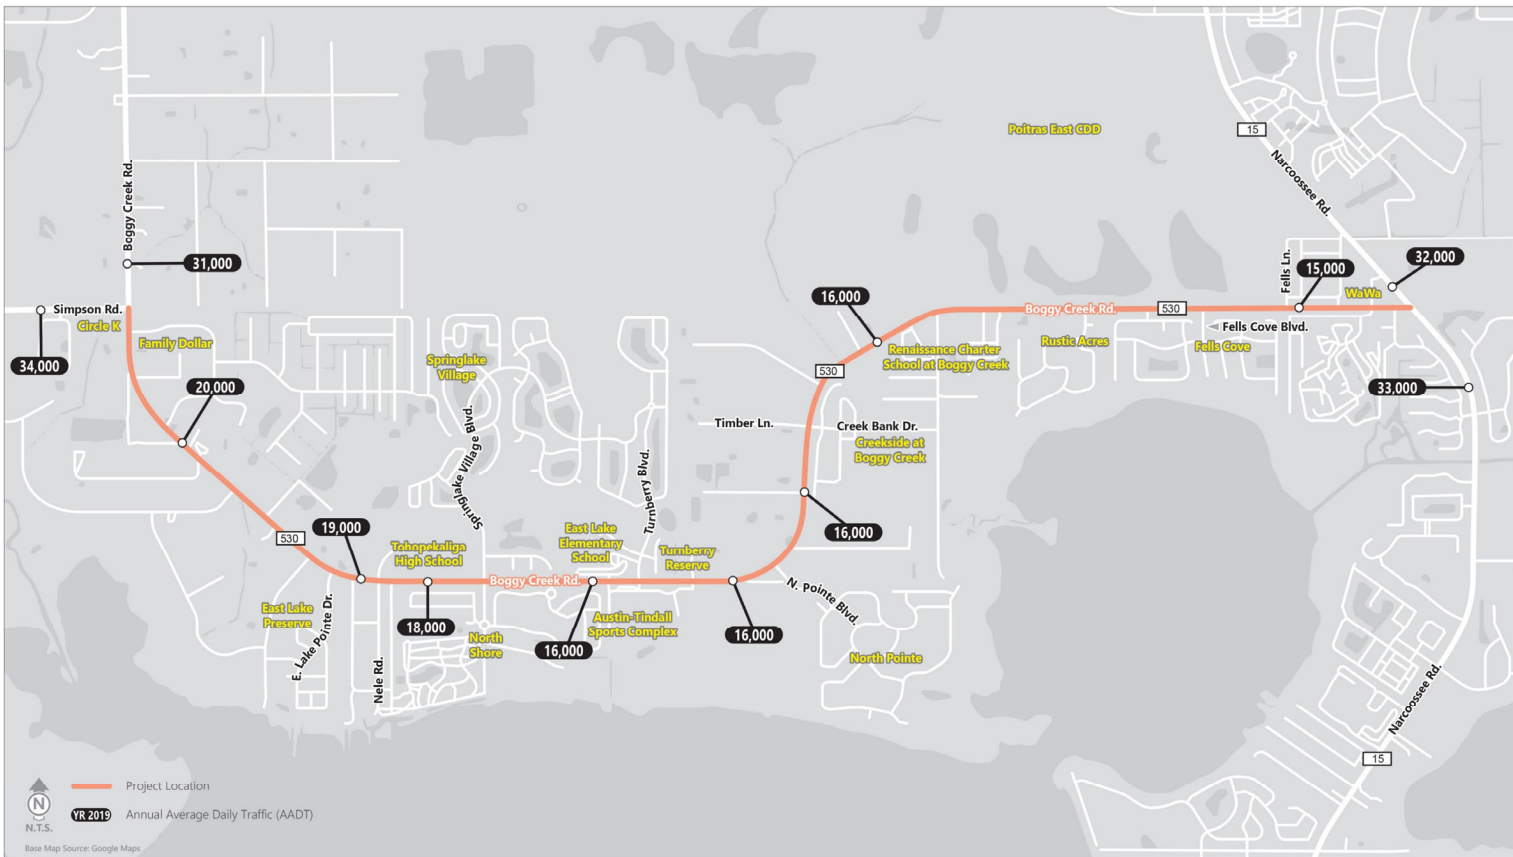

Existing Conditions

- Turn lanes at some locations
- Intermittent sidewalks
- No bicycle lanes
- Open drainage ditches

Current Traffic Volumes

Average traffic volumes range from 15,000 to 20,000 vehicles per day

Future Traffic Projections

By 2045, traffic volumes range from 36,500 and 41,500 vehicles per day

Crash History

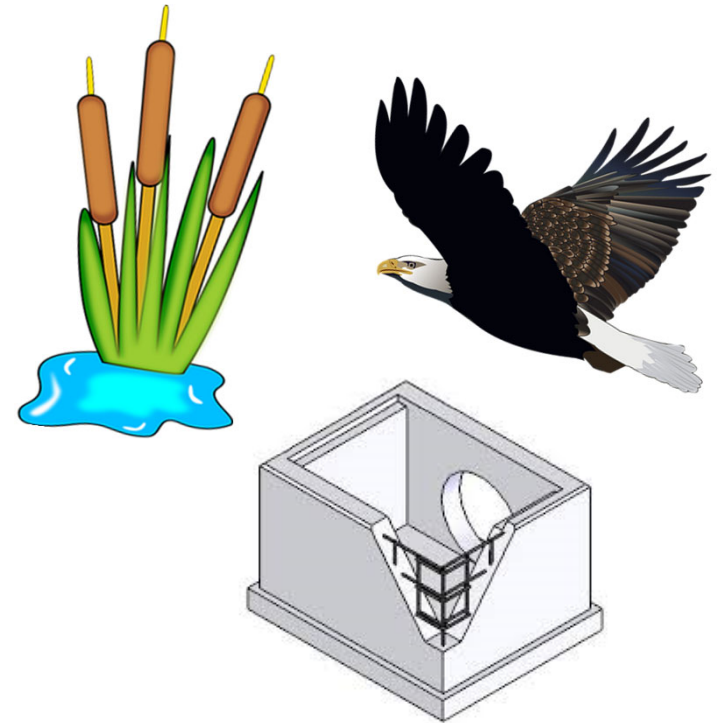

- 509 crashes (2015-2019)
- 5 fatalities
- 360 collisions at intersections
- 43% resulted in injury
- 41% rear-end crashes
- 26% involved left-turn movements

Environmental Analysis

- Project has included significant environmental analysis related to:
 - Wetlands
 - Endangered and protected species
 - Stormwater runoff
- Additional drainage infrastructure, including new water retention ponds will be needed

Public Involvement

- Public meeting held March 4, 2021
 - 74 people attended virtually
 - 20 people attended in person
- Notifications emailed to elected officials and government partners, and mailed to 3,195 property owners or tenants
- Newspaper advertisement in the Osceola News-Gazette, media release and social media post
- Meeting presentation and exhibits available to both in-person and online attendees and posted on the project web page

Public Involvement

- Close to 120 comments and questions from 52 residents have been received through the alternatives' evaluation phase so far
- None of the comments expressed opposition to the project; however, a few comments expressed concern the project does not go far enough to alleviate the congestion along the roadway
- Questions and comments generally related to concerns about impacts to specific properties, how the project will assist in improving congestion

 Boggy Creek Road Improvements
Public Information Meeting
Thursday, March 4, 2021
Project Number: PS-20-11479-DG

PUBLIC COMMENT FORM

Name _____ Phone: _____
Address: _____
City: _____ State: _____ Zip: _____
Email: _____

Please use this comment form to express your opinions regarding the proposed alternatives to address capacity and safety needs on Boggy Creek Road. You may also email Osceola County Project Manager Conroy Jacobs directly at conroy.jacobs@osceola.org. Comments are always welcome. However, comments received by March 15, 2021, will become part of the record for this meeting.

COMMENTS:

Please send comments or questions via email or U.S. Mail to:

Mr. Conroy Jacobs, AICP, MPA
Osceola County Project Manager
1 Courthouse Square, Suite 3100
Kissimmee, FL 34741
Conroy.Jacobs@osceola.org

Public Involvement

- Comments and questions were related to:
 - Start and completion dates for construction/Timing of construction
 - Traffic congestion/Backups from school
 - Median access to neighborhoods
 - Difficulty of getting out of neighborhoods
 - Street lighting
 - Traffic lights
 - Extension of Simpson Road to Royal Palm requested
 - Soundwall requests
 - Wanting work done at night
 - Speed limit/Speeders
 - Do not like having to do U-turns
 - Wanting 6-lanes instead of 4-lanes
 - Storm drain questions
 - Crosswalks
 - Right-of-way acquisitions
 - New fire station details/how it affects traffic
 - Tree removal
 - Separation of bike lanes wanted
 - Impact of Osceola Parkway Extension on future traffic

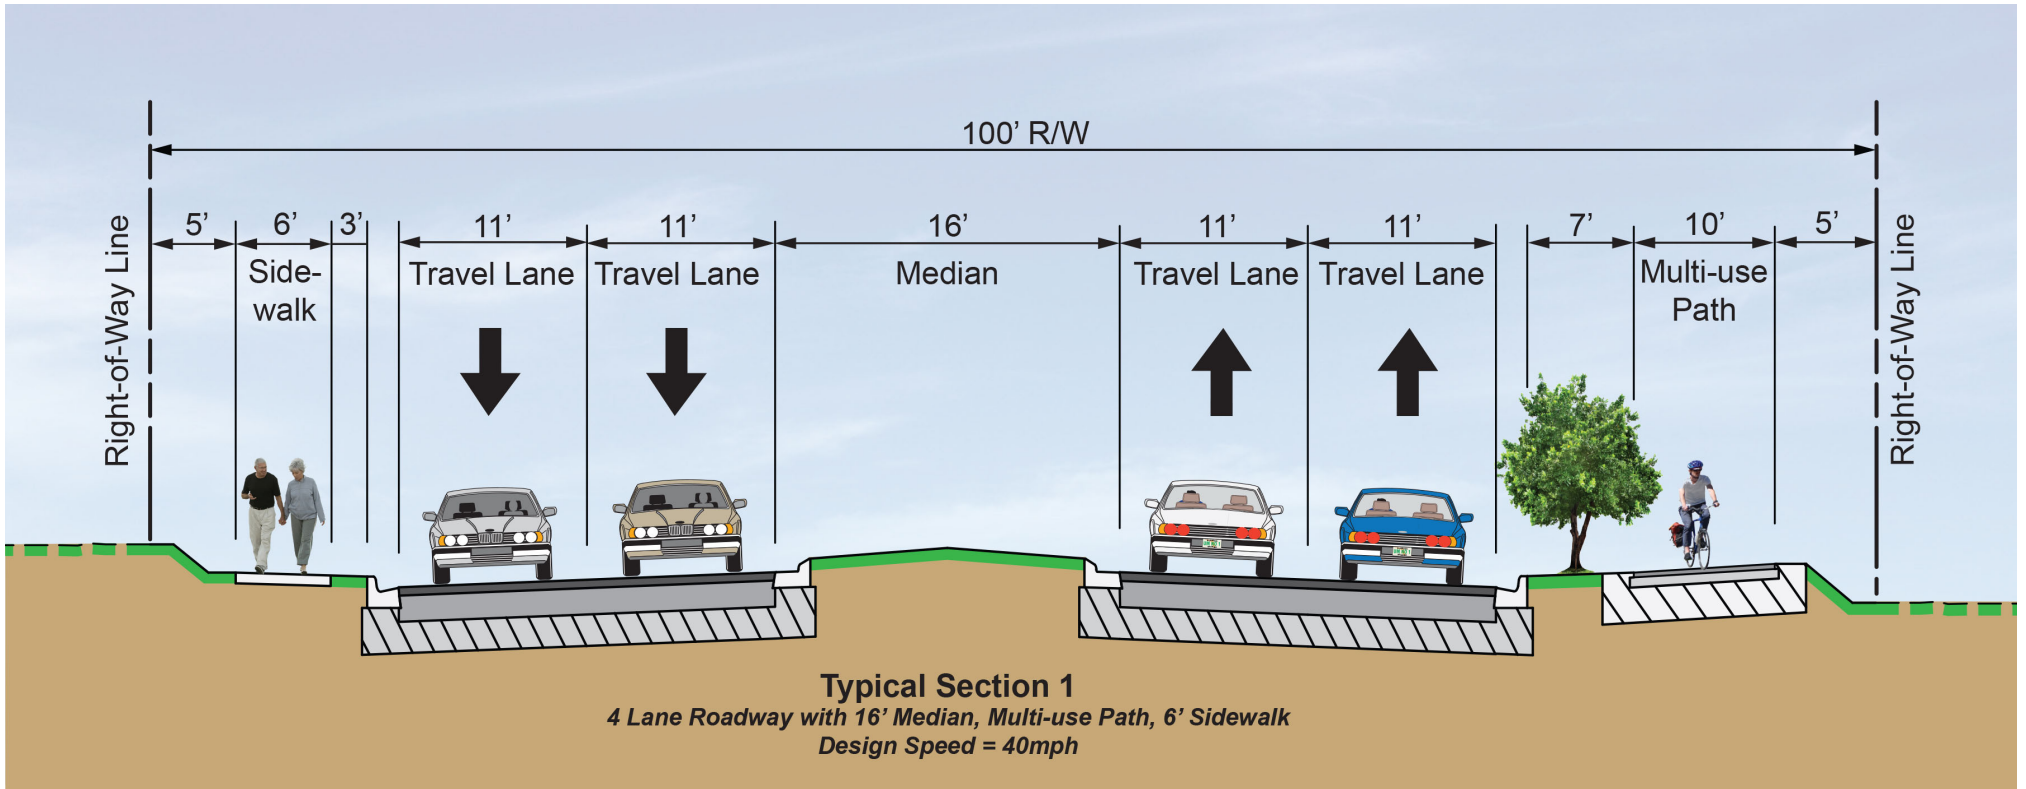

**A complete record of comments and questions is included in the comment matrix*

Alternatives Evaluated

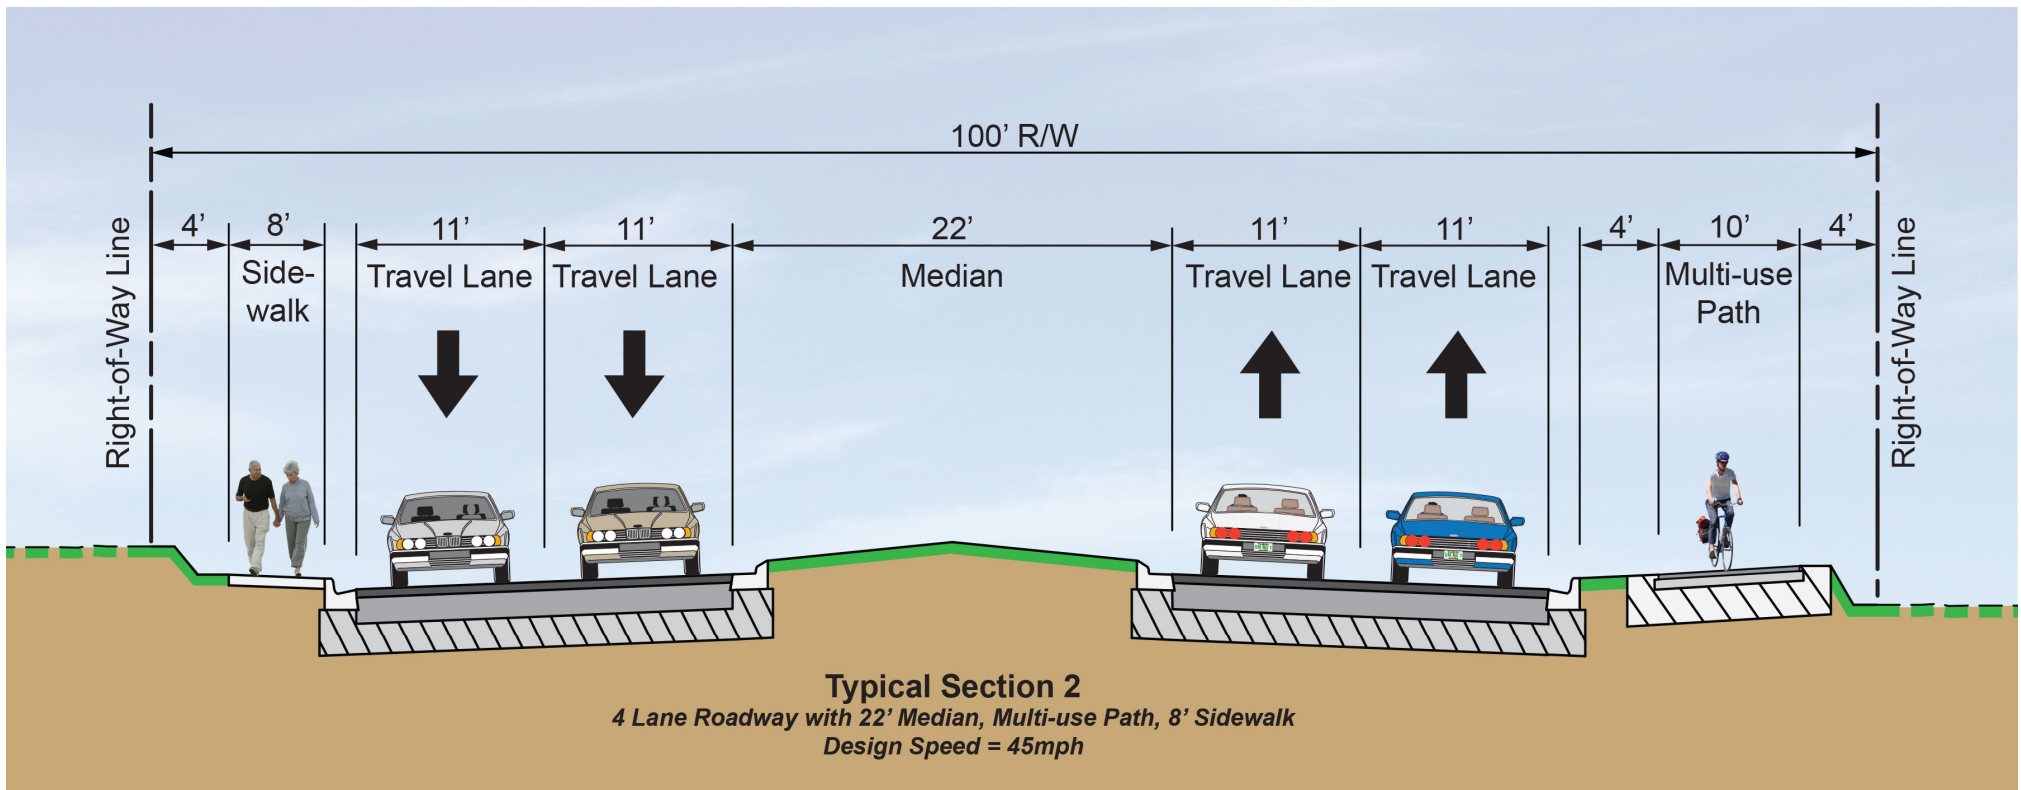

- Three typical section alternatives were evaluated
- All options provided four travel lanes with a raised center median to improve safety and reduce congestion
- All three options provided a 10-foot-wide path on the south side of the road, and either a 6-foot-wide or 8-foot-wide sidewalk on the north side of the roadway
- All alternatives provided a closed drainage system and stormwater treatment improvements
- All options provided enhancements to traffic signals and ITS operations

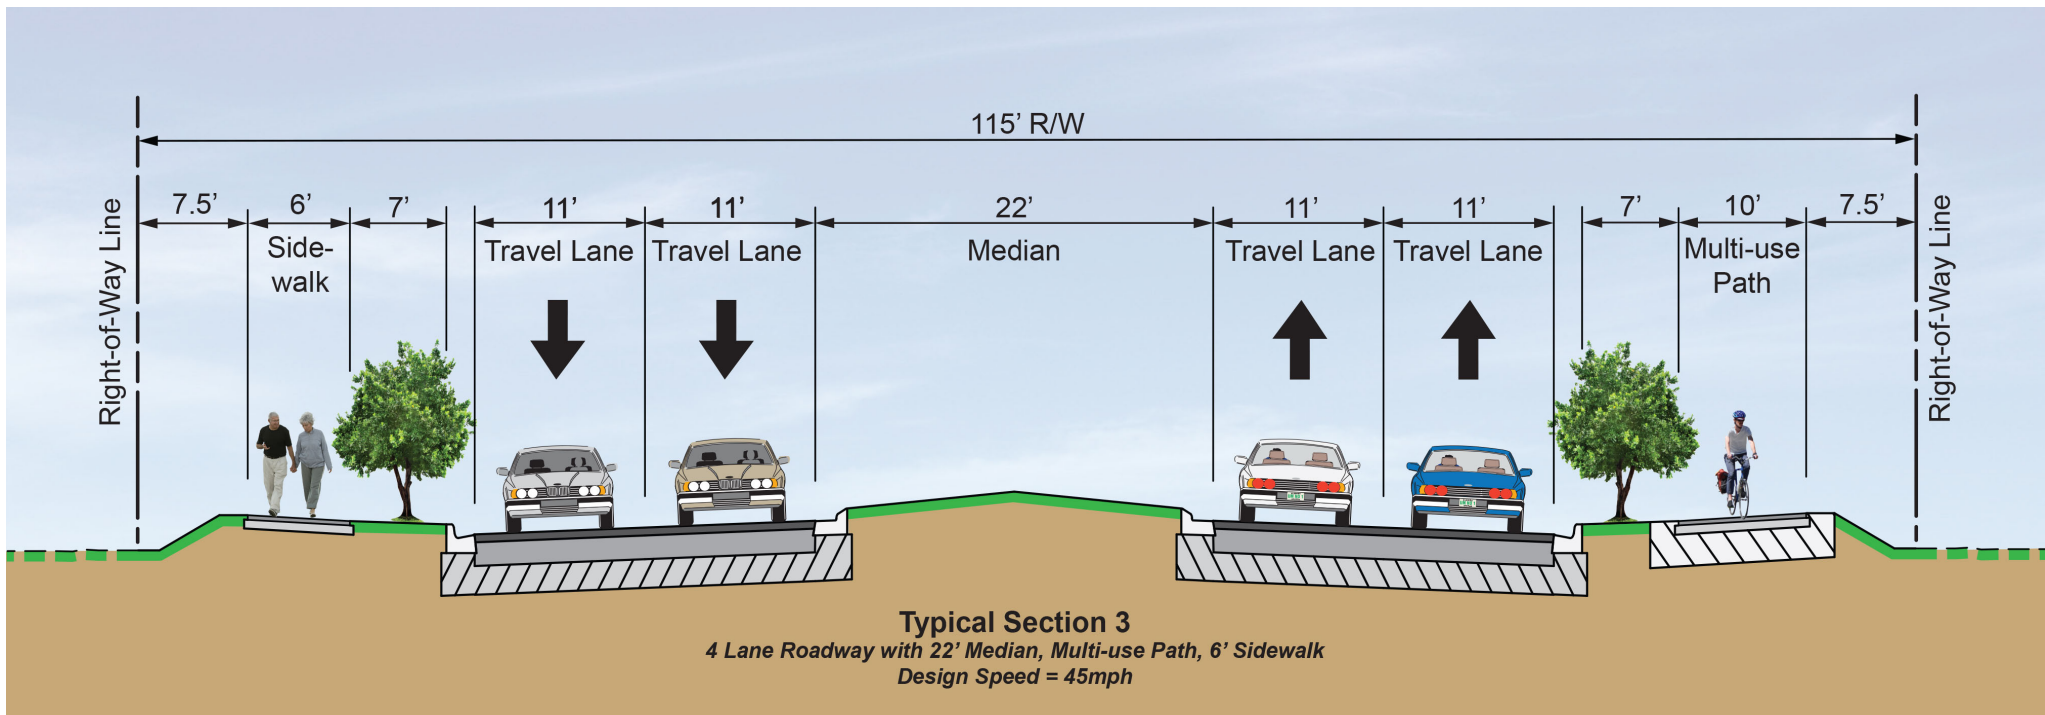

Proposed Alternative 1

Proposed Alternative 2

Proposed Alternative 3

Evaluation Matrix

	Units	No Build	Build Alternative 1	Build Alternative 2	Build Alternative 3
Right-of-Way Needs					
Right-of-Way Acreage Impacts	Acres	0	18.6	18.6	24.9
Parcel Impacts	Each	0	21	21	84
Environmental Impacts					
Floodplains	Acre-Feet	0	0.2	0.2	0.4

Traffic Projections					
Level of Service	-	F	D	D	D
Preliminary Cost Estimates					
Preliminary Environmental Mitigation Cost	\$	\$0	\$264,000	\$264,000	\$336,000
Preliminary Construction and CEI Costs	\$	\$0	\$62,691,000	\$62,907,800	\$64,596,800
Preliminary Right-of-Way Costs	\$	\$0	\$4,332,000	\$4,332,000	\$8,557,000
Total Preliminary Project Cost Estimate	\$	\$0	\$67,287,000	\$67,503,800	\$73,489,800

LEGEND

Little/No Impacts

Medium Impacts

High Impacts

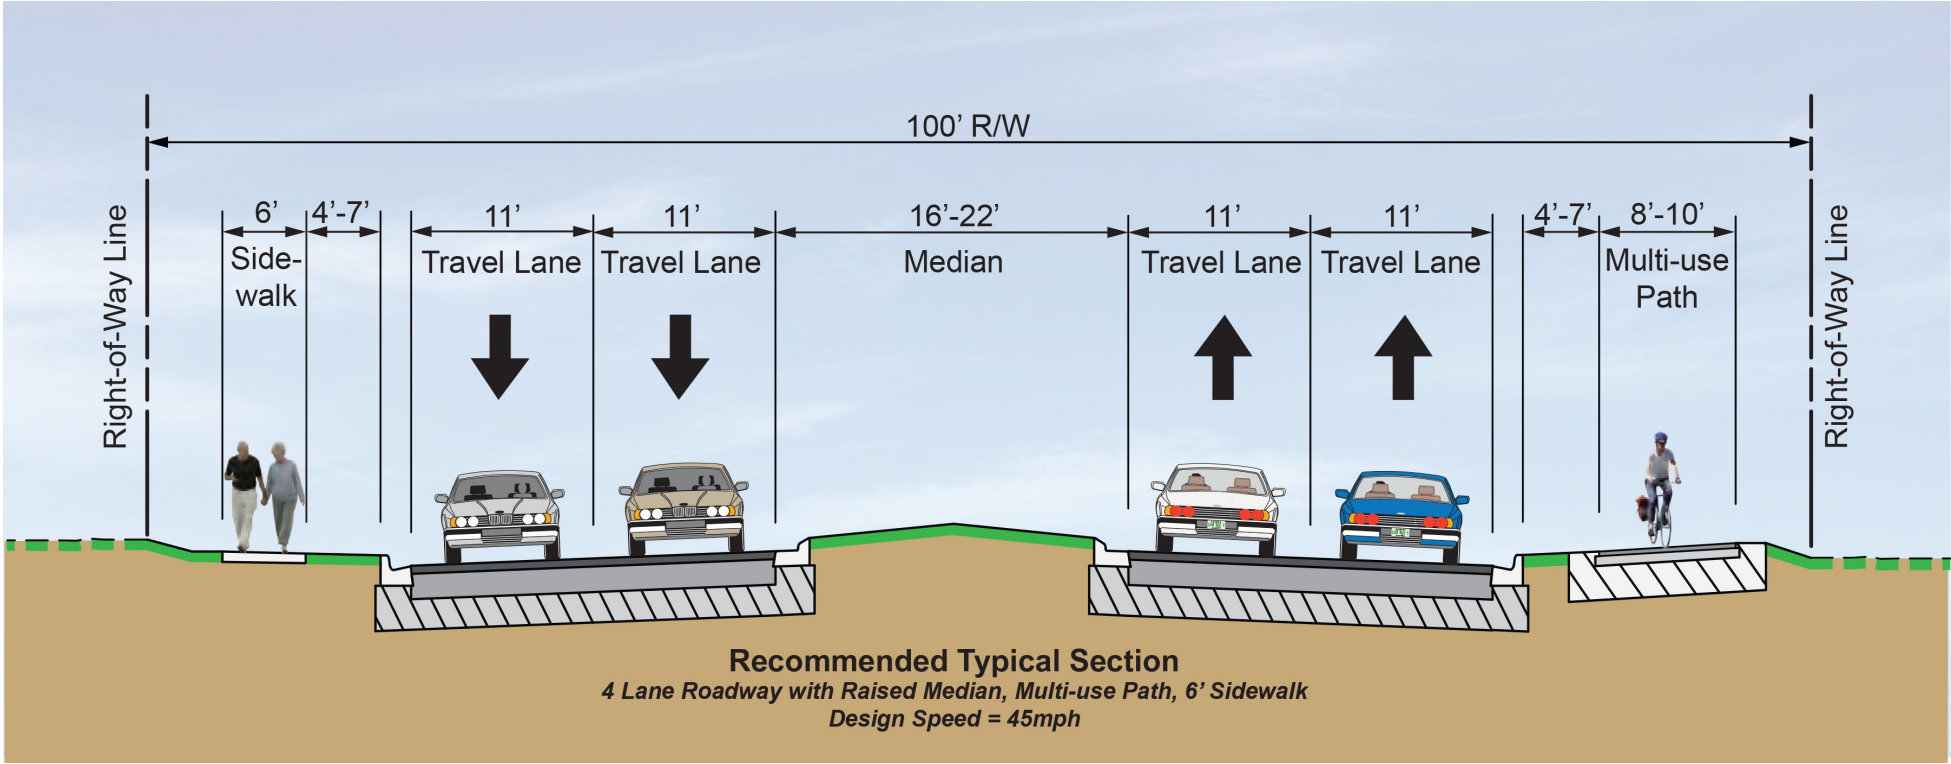

Input on Alternatives

- Few of the public comments received during the alternatives study phase favored any particular alternative
 - Three comments favored Alternative 2 as the best in the long term
 - One comment favored Alternative 1 as the lowest cost option
 - Two comments favored alternative 3 as a safer option because of the wider buffer between roadway and sidewalk
- Cost of each alternative and impacts to right-of-way were mentioned
- A few comments expressed a desire to make sure the improvements would adequately handle the future traffic needs

Alternative 2 - Refined

Recommended Alternative Dewberry®

- Recommended alternative is Alternative 2 – Refined
- Recommended Alternative features:
 - Roadway improvements to typically fit within existing ROW
 - ROW will be needed for intersection improvements and stormwater ponds
 - Sidewalk width reduced to 6 feet with a variable 4- to 7-foot-wide buffer
 - Multi-use path reduced to variable width of 8 to 10 feet wide
 - Raised median width between 16 and 22 feet
 - Two 11-foot-wide travel lanes in each direction
 - Design speed stays at 45 mph
 - Estimated overall cost remains at \$67,503,800

Project Schedule

Alternatives Evaluation

- Refine alternatives
- Staff recommendation
- BOCC to choose preferred alternative spring 2021

Final Design

- To begin spring 2021
- Completion in summer 2022

Right-of-Way

- Acquisition anticipated to begin late 2021

Construction

- Expected to begin fall 2023

Questions?

Osceola County
Board of County Commissioners
Meeting Agenda
04/05/2021 - 1:30 PM
Commission Chambers
1 Courthouse Square, Suite 4100
Kissimmee, Florida 34741

In light of the current Coronavirus (COVID-19) pandemic, steps are required to protect the health of the public while still ensuring continuity of County business. Access to the meeting is also being provided telephonically. Please call (407) 205-0551 Code 301797 to listen to the meeting.

If you want to address the Board, provide written comments or submit documents for the record on an item that is on the Agenda, Request to Speak/Submit Comments/Documents forms shall be submitted online by 5:00 p.m. the day before the meeting by going to www.osceola.org to pre-register. For Consent/Public Hearing and Public Hearing Items (includes quasi-judicial items), Request to Speak forms may be completed in writing 15 minutes prior to the start of the meeting or submitted online by 5:00 p.m. the day before the meeting.

Board of Commissioners

Brandon Arrington, District 3, Chair
Viviana Janer, District 2, Vice Chair
Peggy Choudhry, District 1
Cheryl L. Grieb, District 4
Ricky Booth, District 5

County Staff

Don Fisher, County Manager
Frank Townsend, Interim County Attorney

Agenda

Moment of Silence

Pledge of Allegiance

Approval of Agenda

The Commission will approve an agenda which sets the order of the meeting. This approval could include an addendum representing new items, additions, corrections, and/or deletions of existing items as submitted by the Clerk of the Board. **APPROVED AS PRESENTED (GRIEB/CHOUDHRY, 5-0)**

Recognitions/Proclamations/Presentations

Proclamations

1. Video presentation and adoption of a Proclamation declaring the month of April 2021, as Fair Housing Month, in Osceola County, Florida. **ADOPTED (GRIEB/BOOTH, 5-0)**

Hear the Audience

Except for those matters specifically exempted under the State Statute and Local Ordinance, the Board shall provide an opportunity for public comment prior to the undertaking by the Board of any action on the agenda. The Board will not vote on any item during this portion of the meeting. Rather, this portion of the meeting is to allow for public comments to be heard on items that are on the agenda for that meeting. Comments will be limited to three minutes. Each speaker may only speak once during Hear the Audience unless the Board requests additional clarification. Donation of speaker time may be provided to a single representative up to a total maximum of 12 minutes of speaking time. Donation of time waives the opportunity to speak individually. Pre-registration requirements shall be followed. Proper decorum will be observed.

Consent Agenda

The Consent Agenda is a technique designed to expedite the handling of routine and miscellaneous business of the County Commission. The County Commission in one motion may adopt the entire Consent Agenda. The motion for adoption is non-debatable and must receive unanimous approval. By request of any Board Member, an item may be removed from the Consent Agenda for discussion. **APPROVED AS PRESENTED (JANER/CHOUDHRY, 5-0)**

County Administration

2. Adoption of Resolution #21-072R, approving the Fifty-ninth Extension of the State of Emergency for Osceola County, Florida, due to Coronavirus (COVID-19), effective immediately and shall remain in force for seven days from the date hereof. **ADOPTED RESOLUTION #21-072R**
3. Recognition of County employees who will celebrate a milestone anniversary of 10, 15, 20, 25, or 30 years of service. **APPROVED**

4. Adoption of a Proclamation declaring May 15, 2021, as the 21st Anniversary of The Welcome Table Ministries in Osceola County. **ADOPTED**
5. Approval of a one-time adjustment to the true-up calculation of the Net Tourist Development Tax (TDT) formula in Sections 1.02 and 3.01(A) of the Tourism Promotion Agreement with Osceola Convention and Visitor's Bureau (CVB), doing business as Experience Kissimmee, to increase the true-up appropriation in the Second Budget Amendment from \$579,984.00 to \$1,420,478.00 as a result of the ongoing negative impacts to the tourism industry due to COVID-19. **APPROVED**

Clerk of the Courts

6. Approval of the meeting minutes of January 25, 2021, 1:30 p.m. **APPROVED**
7. Approval and authorization for the Chair/Vice Chair to sign the Disbursement Warrant Report which shows the total of all checks, drafts, wire transfers, and transfers between depository accounts issued from the various bank accounts of the County for the pay period of February 28, 2021. Section 136.06 Florida Statutes requires the County to record in the minutes the total amounts of withdrawals of funds from depositories; direct deposits; and transfer of funds made for any and all purposes. **APPROVED**

Community Development Administration

8. BD21-00030: Approval of Initial Acceptance of the following roadways within Sunbrooke Phase 3: Bullock Place, 540 linear feet (LF); Herder Road, 570 LF; Beefmaster Road, 705' LF; Bovine Drive, 560 LF; and Steerview Street, 1282 LF, located in Commission District 5. **APPROVED**

Public Safety

9. Approval and authorization for the Chair/Vice Chair to sign a new Certificate of Public Convenience and Necessity (COPCN) for National Health Transport and STAT Ambulance Company authorizing the provision of nonemergency ALS transportation, emergency inter-facility ALS transportation, and upon specific request provide emergency transportation for Osceola County. The Florida Statutes require Board approval of the Certificates. **APPROVED**

Public Works Administration

10. Approval and authorization for Chair/Vice Chair to sign Construction Authorization #QC2M-CA35 with Quinn Commercial Incorporated, establishing the Guaranteed Maximum Price (GMP) for the Osceola Heritage Park Fire Panel Replacement (PS#15-04249-RJ) per the life cycle replacement program, for a not to exceed total of \$449,060.00 and authorization for the County Manager, or designee, to sign subsequent amendments not to exceed \$44,906.00 for combined not to exceed amount of \$493,966.00; adoption of Resolution #21-022R, amending the 2020-2021 fiscal year budget; and adoption of Resolution #21-023R

amending the Five Year Capital Improvement Plan as outlined in Budget Supplement BA #21-020. **APPROVED AND ADOPTED RESOLUTIONS #21-022R AND #21-023R**

11. Approval and authorization for Chair/Vice Chair to sign Task Authorization #21-OHP-0003 with Ruby Builders Incorporated, establishing the contract total for maintenance work at Osceola Heritage Park. The scope of work shall include replacing deteriorated caulking, sealing building exteriors, and painting exteriors of the Arena, Event's Center, Multi-purpose Building, KVLS, Extension Services, Warehouse, Central Energy Plant, and portions of the Stadium, for a not to exceed total of \$349,280.03 (RFP-18-9931-DG). **APPROVED**
12. Approval and authorization for the Chair/Vice Chair to sign the negotiated agreement with Arnco Construction Incorporated, establishing the Guaranteed Maximum Price (GMP) to complete Phase 2 of the Sheriff's Office Training Facility project providing for a 16,400 square foot Sheriff's Office Classroom Training Facility in the amount of \$4,104,256.93 (PS#14-03965-RJ); authorization for the County Manager, or designee, to sign subsequent amendments not to exceed \$410,426.00, for combined not to exceed amount of \$4,514,682.93. This project is included in the adopted Fiscal Year 2021 Budget and Capital Improvement Plan and is funded through the Sheriff's prior year's returned excess fees. **APPROVED**
13. Approval and authorization for the Chair/Vice Chair to sign the negotiated agreement with BRPH Architects Engineers Incorporated, Melbourne, Florida, to provide architectural and engineering design services for the fire station prototype at Austin Tindall in the amount of \$445,833.00 (PS #20-11293-TP); authorization for the County Manager, or designee, to sign subsequent amendments not to exceed \$44,583.00 for an updated not to exceed amount of \$490,416.00; and authorization for the County Manager to sign future prototype reuse and design agreements with BRPH Architects Engineers Incorporated, not to exceed \$300,000.00 per fire station project. **APPROVED**

Transportation and Transit

14. Adoption of Resolution #21-055R, authorizing the acquisition of certain real property interests by gift, purchase agreement, or right of eminent domain for the purpose of acquiring right-of-way, easements, and constructing the expansion of Neptune Road from Partin Settlement Road to US 192. Commission District 4. **ADOPTION RESOLUTION #21-055R**
15. Approval to reduce the speed limit from 45 miles per hour (mph) to 40 mph on Cyrils Drive, from Zuni Road to Absher Road, to establish one continuous 40 mph target, design, and posted speed zone in both directions; and replace and install two signs at a cost not to exceed \$167.17. Commission District 5. **APPROVED**
16. Permission to negotiate with Perry-Becker Design, Orlando, Florida, to provide design services for landscaping improvements for US 192 between Denn John Lane and Partin Settlement Road, FM# 441619-1; and authorization for the County Manager to sign the negotiated agreement not to exceed \$300,000.00 without further Board approval. This is

funded through the East US 192 Community Redevelopment Agency. Commission District 4 (PS-21-11904-VJ). **APPROVED**

17. Adoption of Resolution #21-059R, authorizing the Chair/Vice Chair to sign Local Agency Program (LAP) Agreement with the State of Florida Department of Transportation (FDOT) (FPN #437474-1-58/68-01) for the Construction and Construction Engineering and Inspection (CEI) services for the Fortune Lakeshore Multi-Use Trail from US 192 to Columbia Avenue. The original estimated funding from FDOT in the amount of \$7,580,000.00 was included in the Fiscal Year 2021 adopted Budget. FDOT has agreed to reimburse costs up to a maximum amount of \$7,918,652.00, which reflects an increase of \$338,652.00 from the original estimate, in addition to the County's contribution in the amount of \$45,684.00 included in the Fiscal Year 2021 Budget from the East Zone Mobility Fee Fund; the total estimate cost of the project is \$7,964,336.00; adoption of Resolution #21-060R, amending the Fiscal Year 2021 Budget; and adoption of Resolution #21-061R, amending the 2021-2025 Five Year Capital Improvement Plan (CIP), both being detailed in Budget Supplement BA #21-029. Commission District 4. **ADOPTED RESOLUTIONS #21-059R, #21-060R, AND #21-061R**
18. Approval of the proposed project build alternative of the Boggy Creek Road Project, Alternatives Study, allowing the Boggy Creek Road Widening Project to move forward through the final design, right-of-way acquisition, and construction process. Commission District: 5. **APPROVED**
19. Adoption of Resolution #21-056R, authorizing the Chair/Vice Chair to sign Supplemental Amendment #1 to the Joint Participation Agreement (JPA) with the State of Florida Department of Transportation (FDOT) (FPN #433204-2-48-01) for the Right-of-Way Acquisition for Carroll Street Widening and Resurfacing from west of Lehigh Avenue to east of Sample Street. The Agency and Department acknowledge and agree that the Department contribution has increased in the amount of \$1,528,706.00, for a total project amount of \$3,643,899.00; adoption of Resolution #21-057R, amending the Fiscal Year 2021 Budget; adoption of Resolution #21-058R, amending the 2021-2025 Five Year Capital Improvement Plan (CIP), both being detailed in Budget Supplements BA #21-028; and increasing the previously adopted budget of \$2,115,113.00 by \$80.00 to match the original agreement amount of \$2,115,193.00. Commission District 4. **ADOPTED RESOLUTIONS #21-056R, #21-057R, AND #21-058R**
20. Approval and authorization for the Chair/Vice Chair to sign the Reimbursement Agreement for Boggy Creek Roadway Expansion with the City of Orlando and TDCP, LLC relating to roadway improvements, which include the expansion of Boggy Creek Road to a four-lane road from Simpson Road to Narcoossee Road. The City will pay \$6,226,831.00 to the County as its proportionate share from the Development Transportation Impact Fees received from the developer, Tavistock, for Poitras Planned Development. Should CFX remove the Osceola Parkway Extension from its 10 year Master Plan before 2030, then the City will pay \$10,823,868.00 to the County as its proportionate share for the impact fees. The proportionate share impacts from the development on Boggy Creek Road are based on the Kittelson Study conducted as a requirement of Tavistock's Planned Development; adoption of Resolution #21-064R, amending the Fiscal Year 2021 Budget; and adoption of Resolution

#21-065R, amending the 2021-2025 Five Year Capital Improvement Plan (CIP), both being detailed in Budget Supplements BA#21-030. Commission District: 5. **APPROVED AND ADOPTED RESOLUTIONS #21-064R AND #21-065R**

21. Acceptance of the deed from Avatar Properties Incorporated, conveying Tract RW1 and RW2 (as described in the plat of Poinciana Parkway – Osceola County Portion) to the County and authorization for the Chair/Vice Chair to sign a deed conveying Tract RW1 (Poinciana Parkway right-of-way) to Central Florida Expressway Authority (CFX). Tract RW2 would be retained by the County for Marigold Avenue. These conveyances will resolve title issues identified after Poinciana Parkway was conveyed to CFX. Commission District: 1 **APPROVED**

For Information

Clerk of the Courts

27. The Clerk of the Board has submitted for Informational purposes, the minutes from the December 07, 2020, 1:30 pm East US 192 Community Redevelopment Agency meeting.
28. The Clerk of the Board has submitted for the record, an Access Construction and Drainage Easement Agreement with Latigo Ballpark, LLC, dated March 18, 2021, recorded in Official Records Book 5915, Pages 1147 through 1157, Public Records of Osceola County, Florida.
29. The Clerk of the Board has received for the record, the Memorandum of Understanding with the Osceola Professional Firefighters Association, Local 3284, addressing the immediate need to assign current Staff as Training Officers on a 40-hour work week instead of their ordinarily assigned 48-hour shift schedule, signed by Beth Knight, Deputy County Manager, on March 10, 2021.
30. The Clerk of the Board submits for the record, Resolution #21-049R, approving the Fifty-seventh Extension of Declaration of State of Local Emergency, signed by Chair Arrington on March 22, 2021, pursuant to Resolution #21-026R.
31. The Clerk of the Board has received for informational purposes, a letter from the Florida

Department of Economic Opportunity dated March 23, 2021, that pursuant to the 2019 American Community Survey five year estimates from the United States Census, the Celebration Community Development District (CDD) has exceeded the 2019 population thresholds established in Section 165.07(1)(b) and (c), Florida Statutes and Section 190.047(1), Florida Statutes, requires the Celebration CDD to hold a referendum on the question of incorporation.

32. The Clerk of the Board submits for the record, Resolution #21-050R, approving the Fifty-Eighth Extension of Declaration of State of Local Emergency, signed by Chairman Arrington on March 29, 2021, pursuant to Resolution #21-049R.

County Administration

33. Long Range agenda.

Transportation and Transit

34. The Transportation and Transit Department submitted for informational purposes, approval from the Florida Department of Transportation (FDOT), upon the request of Osceola County staff, to extend the completion date from June 30, 2021 to June 30, 2022, of the Joint Participation Agreement (JPA) (FM#439193-1-38/48-01, Contract #AS286) with the FDOT, in the amount of \$33,000,000.00, for design and row-of-way acquisition of Osceola Parkway Extension, from west of Simpson Road (formerly known as Boggy Creek Road) to the proposed Northeast Connector Expressway. The JPA was approved by the Board on March 07, 2016, and signed by FDOT on August 10, 2016. The Board approved to amend and replace the JPA on February 19, 2018, and was signed by FDOT on March 16, 2018. Commission Districts 2 and 5.

Adjournment

In accordance with Florida Statutes, Chapter 286.0105, any person wishing to appeal a decision made by the Board of County Commissioners with respect to any matter considered at such a meeting or hearing, will need a record of the proceedings. For such purposes he or she may need to ensure that a verbatim record of the proceedings is made, which may include the testimony and evidence upon which the appeal is based.

***Community Development Quasi-Judicial Items**

All of the Quasi-Judicial Items will be approved as recommended by the Planning Commission. In accordance with Article 2.4 of the Land Development Code as may be amended, County Commissioners should disclose all ex parte communications, site visits, expert opinions, or documentation received at this time. The County will swear in anyone who wishes to speak on any Quasi-Judicial item. Witnesses may be called and shall be subject to direct and cross examination on matters relevant and material to the issue. Cross examination may be afforded to an affected party, County Staff, or to a County Commissioner. No redirect shall be allowed except upon request and approval by the Chair. There shall be no limitations on questions by the County Commissioners. No one may present evidence which is unduly cumulative or repetitious of previous testimony or evidence. Non-affected parties shall be allowed to speak and present evidence to the County Commission but may not directly examine nor

cross examine witnesses. Affected parties shall be allowed to rebut testimony and evidence presented by non-affected parties. The County Commission shall only consider evidence presented at the hearing and base its decision on the competent substantial evidence of the record.

Americans with Disabilities Assistance

Individuals with disabilities requiring accommodations (i.e., sign language interpreter or materials in accessible format) in order to participate in meetings of the County Commissioners, please contact the Office of the Clerk of the Board, 407-742-2100 or 711 for the Florida Relay System, at least five (5) business days prior to the meeting.
